

**Wellesley Natural Resources Commission and
The Sustainable Energy Committee**
Invite You to Attend a FREE Program on

Healthy Lawns, Sustainability and Energy Conservation

Tuesday, April 26, 2011 7:30-9 PM
Wellesley Town Hall

**Learn About Water & Energy Conservation
Save Time, Money & Protect Our Environment**

**PROTECT YOUR FAMILY'S HEALTH and the TOWN'S
WATER SUPPLY by never using toxic pesticides or fertilizers on
your lawn again and still have a beautiful green lawn.**

Come learn how to grow a very low maintenance, environmentally safe organic lawn as well as how to reduce water and energy consumption. Learn about what the Town is doing to help create a sustainable community. Presentation by Scott Bender of the Sustainable Energy Committee and Jackson Madnick, environmental expert and recipient of the "Regional Environmental Hero Award."

Free Starbucks Coffee & Whole Foods Dessert will be served

**For more information please contact:
Janet Bowser, NRC Director at 781-431-1019 Ext. 2294 or
Jackson Madnick 508-653-0800 or jacksonmadnick@msn.com**
