

WELLESLEY FREE LIBRARY
Replacement of Faucets and addition of flush mechanisms

The Wellesley Free Library is seeking quotes to install sensor faucets and toilet flush mechanisms in all of the rest rooms.

The quote should include all costs necessary to complete the job. Whereas several faucets are currently non-functioning, the quotes are due June 23, 2010 and the vendor must commit to completing this project no later than July 15, 2010.

The Library reserves the right to determine, at its sole discretion, whether any alternative models proposed by the vendor are of equivalent or superior quality.

The Wellesley Free Library will award a contract to the two vendors offering the lowest price for the flush mechanisms and the faucets respectively.

To receive a copy of the quote sheet or, if you have any questions, please call Wellesley Free Library Facilities Supervisor Mike Groh at 781-413-6614.
