RE: CLEANING AND CEMENT LINING THE 6" WATER MAIN ON BROOKSIDE ROAD

The Town of Wellesley Water and Sewer Division is seeking quotes to contract the cleaning and cement lining of a 6" cast iron water main on Brookside Road.

The scope of work for this project includes:

- 1) Cleaning & Lining of ~860 LF of 6" cast iron pipe on Brookside Road.
- 2) Excavation, shoring, backfill and compaction of access pits.
- 3) Installation of a gate to be provided by the town in the last cleaning and lining pit.
- 4) Insurance and 50% payment bond required.
- 5) Misc. work and clean-up

Note:

- 1) Temp bypass to be installed, maintained and removed by Town of Wellesley
- 2) Disposal of existing asphalt, excess gravel by Town. Also, Town will provide new pipe bedding and gravel road base.
- 3) Bit. Conc. trench patches to be performed by Town of Wellesley
- 4) Water main parts, pipe, fittings, and valves to be provided by Town of Wellesley
- 5) Town permit fees to be waived by Town of Wellesley
- 6) Installation of new gate valve at intersection of Wellesley Ave & Brookside Road to be done by the Town.

Please submit all quotes by November 18, 2016 at 3:00pm. Quotes can be submitted electronically via email to [mcondon@wellesleyma.gov](mailto:mcondon@wellesleyma.gov). For more information, contact Meghan Condon at 781-235-7600 ext. 3362.
