Miss Katharine Toy, Clerk
Board of Appeal
Town Hall
Wellesley, Mass. 02181

Dear Miss Toy:

This has to do with the petition of Senior Living, Inc. dated August 14, 1972, requesting approval of plans for construction of five carports.

Henry D. White represented the petitioner at a public hearing on September 28, 1972. In a decision of the Board on December 20, 1973, the Board granted permission for erection of two canopies but reserved its decision with respect to the other items covered in the original petition, as to which the filing fee of \$75.00 was duly paid.

The petitioner respectfully requests that the Board re-open its hearing so as to consider further the request for construction of five carports.

The matter of the drainage system has been disposed of.

It would be appreciated if you would let me know if a further hearing is required. If so, please designate a date for the hearing.

Yours very truly,

George P. Davis
