828 Washington Street

Pursuant to due notice, the Special Permit Granting Authority held a Public Hearing on Thursday, February 21, 1985 at 8 p.m. in Room 17 of the Town Offices at the Phillips Building, 12 Seaward Road, Wellesley Hills, on the petition of Wellesley College (Cheever House) requesting a Special Permit under Section XXV and Section II 8 (b) of the Zoning Bylaw which will allow the applicant to continue to use the building at 828 Washington Street as a college or institute of an educational character and such accessory uses as are customary in connection with such use. Said premises are located in a Single Residence District.

On February 1, 1985, the petitioner filed a request for a hearing before this Authority and thereafter due notice of the hearing was given by mailing and publication.

The applicant was not present at the hearing. The application indicated no changes in the operation since last year. No one was present either favoring or opposing the request.

Statement of Facts

The property involved, which contains approximately 21 acres, is located within a Single Residence District. On the premises there is a four-story wood-frame mansion, formerly the Cheever Estate, built about 1894, containing a four-room apartment, a three-car garage, barn and chauffeur's day room area. The property surrounding consists of woodland and green field swamp land. There are 34 offices on four floors and less than 40 full-time employees. Parking for employees and visitors is provided in a parking lot adjacent to the building. The general use of Cheever House by Wellesley College is for college related research, under the title of Wellesley College Center for Research on Women, which began in 1974. Dr. Laura Lein is currently the Director.

The Planning Board, at its regular meeting of February 12, 1985, voted to offer no comment on the petition.
