Pursuant to due notice, the Special Permit Granting Authority held a Public Hearing on Thursday, May 22, 1997 at 8 p.m. in the Selectmen's Meeting Room (Conference Room B) at the Town Hall, 525 Washington Street, Wellesley, on the petition of CROSSROADS COUNSELING, INC. requesting renewal of a Special Permit pursuant to the provisions of Section II A 8 (b) and Section XXV of the Zoning Bylaw to allow the continued operation of a mental health clinic at 219 WASHINGTON STREET (Wellesley Friendly Aid), in a Single Residence District, a use not allowed by right in said District.

On May 5, 1997, the petitioner filed a request for a hearing before this Authority, and thereafter, due notice of the hearing was given by mailing and publication.

Presenting the case at the hearing was Linda Cohen, a member of the Crossroads Counseling group, who asked for renewal of the Special Permit under the same conditions as previously granted, as there have been no changes.

No other person present had any comment on the petition.

### Statement of Facts

In 1994, Crossroads Counseling, Inc., a group of nine social workers, was formed to continue to give the services previously provided by Family Counseling Region West, Inc., when Family Counseling discontinued its services at the existing location. The Special Permit, which had been granted to Family Counseling, was assumed by the new group.

Crossroads Counseling, Inc. is requesting renewal of its Special Permit to allow the group to continue to operate a mental health clinic with hours from 9 a.m. to 8 p.m. on Mondays through Thursdays, and from 9 a.m. to 5 p.m. on Fridays throughout the year.

On May 20, 1997, the Planning Board reviewed the petition and voted to recommend renewal on the same terms and conditions as currently exist.
