Dear Mr. Wright:

Please be advised that at the Public Hearing held on April 28, 1999, the Zoning Board of Appeals voted unanimously to grant your request to withdraw the above referenced petition without prejudice.

Any future petition regarding construction at 22 Seaver Street requiring relief from the Board of Appeals will require a new application, a new plot plan showing the proposed addition with all relevant setbacks, and new floor plans and elevations.

If you have any questions, or need further assistance, please do not hesitate to call me.

Very truly yours,

Ellen D. Gordon
