# Your Network

Get more choice with Select Care.

# What you get

- Greater choice at a competitive price.
- Access to an expansive network that includes physician practices, community-based hospitals and medical facilities across the Commonwealth and southern New Hampshire.
- Plus, worldwide emergency coverage!

Please see the back of this insert for a full listing of participating Massachusetts and New Hampshire hospitals in Select Care.

# Find your doctor

Just visit [fallonhealth.org](http://fallonhealth.org) and follow these simple steps:

- Click on "Find a doctor" in the members section, or on the home page.
- Click on "Search our regional networks" for Select Care.
- If you are looking for a specific provider, type his/her last name (once you start typing, you will be given a list of providers to choose from).
- If you don't have a particular provider in mind, you can use the advanced search option to search by ZIP code to find a provider convenient to you. You can use this advanced search option for specialists as well as for primary care providers.

We update the provider listing on [fallonhealth.org](http://fallonhealth.org) every day, so you can trust that you are seeing the most up-to-date information. You can also call our Customer Service Department at 1-800-868-5200 to have a representative help you find the doctor you're looking for.
