Member Sections

- **Personal Information:** Complete all enrollment information. If your plan (HMO, POS, or EPO) requires the selection of a primary care provider (PCP), be sure to fill out this section for all members, including dependents.
- **Product Code:** Please be sure to fill in the correct product code for the plan you have selected.
- **Primary Care Provider:** It is important that you choose a PCP right away, if your plan requires one. Without a PCP assignment, your in-network benefits may be limited to emergency services only. To find a PCP, visit tuftshealthplan.com, and use the Doctor Search feature. In Box 22 of this application, indicate whether you are an established patient of the PCP you have listed. You are an established patient if you have seen the PCP routinely in the past for your health care. If you are selecting a new PCP, contact the doctor right away, introduce yourself as a new member, and find out if your doctor would like to schedule a physical exam. Transfer your medical records to your new PCP right away.
- **Students/Dependents/Children:** If you have a student/dependent/child enrolling on your plan—age 19 and over (if your employer is based in Rhode Island) or 21 and over if your employer is based in Massachusetts (this may be 19 and over with some employers)—you must certify their status on initial enrollment and again as requested by Tufts Health Plan. Student/dependent/child forms can be obtained and submitted at www.tuftshealthplan.com.
- **Other Health Coverage:** If you have other insurance (including Medicare), please check the correct box and fill in the additional information about your other insurance. If you do not have other insurance, be sure to check the No box.

If You Need Emergency Care

In an emergency, go to the nearest medical facility or call 911. An emergency is a serious injury or the onset of a serious condition that prevents you from taking the time to call your PCP, if your plan requires one.

Please Note

By enrolling, you agree to and understand that if you or any of your enrolled dependents obtain a health care benefit or payment that you know you are not entitled to receive or be paid or if you knowingly present or cause to be presented with fraudulent intent a claim that contains a false statement, you can be liable for the full amount of the health care benefit or payment made and for reasonable attorney's fees and costs, including cost of investigation.

Tufts Health Plan arranges for the provision of health care services but does not provide health care services. Tufts Health Plan arranges for the provision of health care through agreements with independent community-based health care professionals working in private offices and with hospitals throughout the Tufts Health Plan service area.
