

NRC Administrative Oversight of the Brookside Community Garden

The Brookside Community Garden at Oakland Street and Brookside Road had another successful year. The NRC provides administrative oversight of the community garden for the DPW, which owns the land. The Town requires that all gardeners at Brookside Garden manage their gardens organically with no use of pesticides. This year, the DPW completed garden landscape improvements including tree pruning to improve the area and accessibility. There were many new gardeners who created beautiful gardens and added to the sense of community at Brookside. In addition, the NRC and the gardeners have initiated the establishment of a Gardener Management Committee to manage the garden with NRC oversight.
