PLASTIC BAGS: TO BAN OR NOT TO BAN?

Friday, September 25, 6:30 to 8:30 pm
Unitarian Universalists of Wellesley
309 Washington Street, Parish Hall

Free and open to the public ||||| contact info@SustainableWellesley.com

15 Massachusetts communities have passed bans on plastic bags — should Wellesley do the same? Share an evening of discussion beginning with a 45-minute version of the award-winning and entertaining film, “Bag It: Is Your Life Too Plastic?” Then **Newton Alderman Alison Leary** will describe her experience of working to pass a bag ban in Newton, and we will consider whether a ban is right for Wellesley. Light refreshments and free reusable bags!
