415788  
(Ages 20 months - 3.9 yrs)

Instructor: Gardengate Academy Staff

Our popular Toddler Workshop from Natick is coming now to your town! This workshop is the perfect transition between home and preschool. All little ones between the ages of 20 months to 3.9 years are welcome for a fun morning which includes music, art project, snack, play time and tumbling. We provide a warm setting where children can gradually separate from parents at their own step. Our workshop focuses on guiding children to master their social skills based on respect, love and team work. Over the course of the session children will develop friendship, self worth and love for music and art. We believe that love, friendship and fun activities are the perfect environment for your little ones to have a beautiful start in their education. Children do not have to be potty trained to join our program. Parents must provide snack for their children.

## Character-Building Fun & Life Skills for Preschoolers

411309  
(Ages 3.5 - 6, with adult)

Instructor: Diane Root

Join us for a whole lot of laughter and fun as we use "larger than life" storytelling, songs, games and puppets to help your preschooler learn important life skills such as telling the truth, doing your best, being kind, standing up for yourself against bullying, encouraging self-control, and believing in yourself. Each week, an adorable mouse character named Solomon Sire helps lead a highly interactive and memorable session of activities and age-appropriate discussion on a different theme. Developed with early education and child development specialists, this program engages every type of learner and provides busy parents with easy tools to reinforce concepts at home. More information is available at [www.solomonsire.com](http://www.solomonsire.com).

## Toddler Movement and Song

411300  
(Ages 1.5 - 2)

Instructor: Stephanie Gager

This is a great "first class" for young children and their caretakers, offering a combination of music and movement in a relaxed setting that allows children to socialize and be part of a group. Children will sing, dance and play while integrating instruments, puppets, parachutes and more. This program provides a fun and easy way to introduce activities which nurture your child's motor, creative and social skills. In addition, it is a fun place to meet other families with young children and make new friends. Adult participation is necessary for the success of this program.

## Kids Movement, Art, & Song

411301  
(Ages 2 - 3)

Instructor: Stephanie Gager

Come join us for a fun-filled hour of music, movement and art! Along with their adult companion, children will sing, dance and use a variety of rhythm instruments, motor props and art materials to express themselves while having fun socializing with new friends. The class will consist of songs, rhymes and musical games before heading into the mat room for some climbing, building, free play and parachute fun. We will then share a snack with friends and finish off the hour creating a different artistic masterpiece to bring home each week. What could be more fun than parachutes, puppets, paint, glue, feathers and glitter! Snack will be provided. (There is an additional \$15 materials fee payable to the instructor at the first class)

## Dancing Debut

424010

(Ages 2.6 - 4)

Instructor: Cindy Wright

When little ones hear music, they instinctively want to move. They may not know it yet, but they are dancing! In this class, children will learn new movement from the instructor and from each other. They will also be encouraged to use their own imagination to create their own, individual styles. Each child must be accompanied by an adult who may, at first, need to participate. The goal, however, will be to have each child comfortable enough to separate. Children should wear comfortable clothing or dance wear and lightweight, non-slippery shoes.

**Scratch Intermediate**

424989

(Grades 4 - 5)

Instructor: JrCode Staff

Scratch Intermediate really puts children's "Scratch" skills to the test. The course will be offered in "Scratch", an online platform and programming language where children build upon the fundamental skills from their previous experiences to develop more advanced projects and games. Scratch Intermediate is ideal for students in grades 4 or 5, or students in grade 3 that have previous experience with the Scratch platform. This course will introduce students to more advanced coding concepts and procedural thinking methodologies to prepare students to make the switch over to the JavaScript Intro Course. This course is not recommended to new students with no Scratch or coding experience as they will be missing some of the fundamental building blocks (and fun!) taught in the Scratch Intro Classes. Very advanced students in 3rd grade are encouraged to enroll in this course, and students in the 6th grade that have previously taken the Scratch Intro classes are also welcome. This course does require students to have a laptop (PC, Mac, or Chrome) but if your child will not have access to a laptop during this course, please let us know in advance.

**JavaScript Intro Lab**

424989

(Grades 5 - 9)

Instructor: JrCode Staff

JavaScript Intro is an introductory course in the dynamic programming language of "JavaScript." This course is open to any student interested in diving into more complex programming and coding skills. It is highly recommended that students have previous Scratch programming experience, but we will work with new students to make sure they all get the most out of this course, even without previous coding experience. Upon successful completion of this course, students will have a developed understanding of the internet and the importance of JavaScript in our world today. Students will be introduced to more advanced algorithms, using For-loops and While-loops and begin to develop their own functions in this fun and exciting yet challenging course. This course does require students to have a laptop (PC, Mac, or Chrome) but if your child will not have access to a laptop during this course, please let us know in advance.

**Scratch Intermediate Lab**

424989

(Grades 4 - 5)

Instructor: JrCode Staff

Scratch Intermediate Labs are the final step in mastering "Scratch". Upon completion of these labs, students will be Scratch Masters. Scratch Intermediate Lab is ideal for any returning students that had previously successfully completed Scratch Intermediate, or another Scratch Intermediate Lab. This course will encourage students to take all of the skills mastered in Scratch Intermediate and put them to use to develop more advanced games, stories and animation. Upon completion of the Scratch Intermediate Lab series, students will be fully prepared to move on to JavaScript Intro. This course does require students to have a laptop (PC, Mac, or Chrome) but if your child will not have access to a laptop during this course, please let us know in advance.

**JavaScript Intro Lab**

424989

(Grades 6-8)

Instructor: JrCode Staff

JavaScript Intro Labs are a more advanced look at JavaScript for students ranging from the 5th to 9th grades that have previously taken the JavaScript Intro Course and are interested in mastering the principles of the introductory course by applying their knowledge to projects and critical thinking problems solving challenges. Students will expand their understanding of the importance of JavaScript as they develop and build their own website, using more advanced algorithms and expanding on their foundational skills. This course does require students to have a laptop (PC, Mac, or Chrome) but if your child will not have access to a laptop during this course, please let us know in advance.

## Dynamic Speed & Endurance Running

420203  
(Ages 6 - 12)  
Instructor: Kathy Fleming

This class will help your child reach new levels in his/ her athletic abilities. Your child will not only be faster and stronger, but he/she will be empowered and confident with his new awareness of pacing, sprinting and stamina. Kathy Fleming, the former Boston College track and field coach, Olympic Trials finalist in the 1500m and a member of the world record Distance Medley Relay team who held the record for 27 years, will share her knowledge about the key ways to build speed and endurance in young athletes. The class will also introduce some of the other track and field events like the shot put, javelin and the long jump. The class also teaches proper hydration, stretching and drills. We end each session with a fun relay event.

## Fencing

421801  
(Grades 3 - 6)  
Instructor: Zeta Fencing

The modern sport of fencing provides a great physical and mental workout for students of all athletic abilities. As one of the safest sports, fencing improves endurance, coordination and speed as well as mental focus and concentration. At the same, it is so much fun that our students don't even think of it as a workout! During the 8-week program, participants will master the basic skills of footwork, blade moves, and tactics of modern fencing. They will also learn about the history and traditions of one of the oldest sports in the world and experience the values of true sportsmanship. On the last day, students will fence a tournament. All fencing equipment will be provided. Students need to wear loose-fitting sweat pants (no jeans, tights, or cargo pants), a T-shirt, and athletic shoes that are closed on top (no velcro). INSURANCE REQUIREMENT: In order to comply with insurance requirements, all participants need to sign up for a non-competitive membership with USA Fencing prior to the first day of the program. The non-competitive membership costs \$10 and is included in class fees. Instructions for signing up online will be provided upon registration and must be completed online before the first Fencing class.

## Discover My World

423055

(Grades 2 - 4)

Instructor: The Chyten Center staff

"Student Beware! Google Earth is Here!" Put away those old fold-up maps and aging school atlases. Technology has revolutionized how students learn about geography and world cultures. In Chyten's Discover My World program, students use Google Earth and online encyclopedias to find answers to ten key questions about a country of their choosing. They then design an intricate informational poster to display this information as well as the national flag and map. In the final part of the class, each pair of students creates a Lego pavillion that represents their country. That pavillion becomes part of a class-wide World's Fair that represents the collective knowledge gained by our aspiring world explorers.

## Team Titans

423055

(Grades 2 - 4)

Instructor: The Chyten Center staff

"Batter Up!" In Chyten's Team Titans Math Program, math becomes a fun exercise in managing a baseball team! But don't be fooled; while this program is rooted in fun, real lessons in math, problem solving, geography, and public speaking abound! Students pair up to serve as general managers of a new, fictional baseball franchise. As managers of the team's balance sheet, students must budget for player salaries, ballpark costs, maintenance, ticket sales, concessions and much more. The managers are responsible for responding to player and fan concerns — and of course, simulating the games themselves. All the while, students are called on to solve word problems and mathematical dilemmas by applying mathematical and statistical concepts such as probability, mean, mode, perimeter, area, graphing, money sense, multiplication and more.

## Kids Career Time

423055

(Grades 2 - 4)

Instructor: The Chyten Center staff

"What do you want to be when you grow up?" In Kid's Career Time, Chyten students don't just learn about professions—they actually live them! As lawyers and jurists, students engage in a series of court cases that challenge them to think about the law and society. As architects, they design structures to solve a town's transportation problem. As doctors, they learn to diagnose and treat diseases. As politicians, they run a campaign to become mayor of a fictional city. In the end, students get a great feel for what it means to be a professional, to think like a professional and to face and conquer the types of challenges they may face later in life.

## Shark Tank Jr.

423055

(Grades 2 - 4)

Instructor: The Chyten Center staff

In Shark Tank Jr., students play the role of young entrepreneurs as they start with the germ of an idea for a product and business and take it through the entire entrepreneurial process. Loosely based on the TV show Shark Tank, our students develop prototypes, formulate a business plan and devise a marketing strategy. Meanwhile, students learn through contextual lessons on concepts such as wages, profits and branding while designing print ads, acting out "TV commercials," researching real estate locations and creating replicas of their storefronts. The class concludes with our young executives pitching their ideas to a celebrity panel of parent "sharks." These young executives will really be taking care of business!

## Imagination Authors

423055

(Grades 2 - 4)

Instructor: The Chyten Center staff

In Imagination Authors, Chyten teachers foster a love of writing by helping students write and publish their own real book! Using novels like Harry Potter and The Chronicles of Narnia as inspiration, each class designs a fantasy world that includes major and minor characters, settings and locales, an extended backstory and a world of wonder. The authors use artwork and brainstorming to design plot twists and dynamic characters. Teachers continually guide the students, providing contextual lessons on writing techniques that include the use of appropriate dialogue, detailed descriptions, sensory-rich word choice, as well as character, plot and theme development. Chyten instructors then synthesize the collective works into one class-wide novel representing those amazing imaginations. At the end of the course, students receive their first real novel—published, bound and signed by our Imagination Authors. (Extra copies are made available as gifts to friends and family members).

## Puddlestompers Winter Exploration

Activity #: 415701

(Ages 3 - 6)

Instructor: Puddlestomper Staff

Let us lead your children in discovering the mystery of winter during PUDDLESTOMPERS' December Vacation drop-off program. Winter is a magical time to explore! Come see how animals and plants are surviving the cold. Look for animal tracks and investigate other signs of winter activity. Discover who is taking a rest during the cold months and who is still out and about! Children will learn about the day's topic through hands-on investigation, active movement and play, crafts, stories, and songs. A snack will be provided each day, as well as a take-home craft and handout with additional activities and information to extend learning and exploration into your home. Please send your child with a nut-free lunch.

## Nashoba Wednesday Ski Program

123300  
(Ages 8 - 11)  
Instructor: Nashoba Valley Ski Resort

Now is the best time to learn to ski or snowboard. If you already ski or snowboard, you can polish your skills. This program includes transportation to Nashoba Valley, lessons and lift tickets. Please indicate if your child is a first time skier and if they will snowboard or ski. All participants must be enrolled in grades 3 - 5. If you need rental equipment you MUST attend the prefit, Thursday, Dec 10th @ 7pm. If you miss the prefit you will have to drive to Nashoba Valley and have your child measured because they CAN NOT be fitted on the first day of the program.

### A NOTE TO PARENTS FOR NASHOBA SKI

The Recreation Department has been offering ski lessons at Nashoba Valley for a number of years. There are a few things that you can do to help us. We do ask that your child wear the ski band provided by us, so that we can identify those in our group. WE ARE NOT RESPONSIBLE FOR ARTICLES LEFT BEHIND. YOUR CHILD MUST MAKE SURE THEY HAVE EVERYTHING BEFORE WE LEAVE NASHOBA. Children are not allowed to wear ski boots on the bus. Every child who goes to Nashoba on the bus will return to the Warren Building parking lot on the bus. If you must pick your child up at Nashoba, then you will also be responsible for getting them to Nashoba that day. Last, but not least, we ask that you BE ON TIME TO PICK UP YOUR CHILD. The bus is usually back at the Warren Building parking lot by 5:15 pm at the latest for the Wednesday program, and for the Friday night program by 9:30 pm.

**Prefit for rentals will be held  
at the Warren Building  
on Thursday, Dec. 10 from 7-8pm.**

**If Wellesley Public Schools are  
cancelled due to inclement weather,  
than Wellesley Recreation is closed.**

## Barn Buddies

Instructor: Sweet Meadow Farm Staff  
Children will start their day feeding breakfast to our friendly barnyard animals. Then will groom and learn how to walk miniature horses on a leadline, feed new babies their bottle, and play with the baby miniature animals. Head over to the small animal room to learn to hold, feed, and care for a variety of small animals in our brand new insulated and heated barn! This is a drop off class.

Days offered Saturday 10 - 12 pm

## No-School Day Riding Program

Instructor: Sweet Meadow Farm Staff  
On all school holidays (school closing days) or vacations (December, February, March and April), Sweet Meadow Farm offers a day program for your children. They will feed, play and learn how to take care of friendly farm and exotic animals. Each child will have a one-on-one horseback riding lesson. This is a drop off class.

Classes offered on all school holidays.

## Mini Riders

Instructor: Sweet Meadow Farm Staff  
Our patient, well-trained and gentle miniature horses are ready to introduce your child to a lifelong love. He/she will learn how to handle, and groom and tack up the miniature horse. They will then spend time in the saddle riding the hand-led pony. Parents are welcome and encouraged to participate in their child's one-on-one learning experience. Our focus is teaching how to work safely around the animals, while having a fun positive experience with the pony. After feeding and putting the ponies away, your child will have a chance to come into our brand new insulated and heated barn and play with our trained and friendly small animals (rabbits, guinea pigs, gerbils, chinchilla, birds and ferrets) for an all-around wonderful experience.

Days offered M-W-F 10-10:45 am

## Saddle Club

Instructor: Sweet Meadow Farm Staff  
This program is perfect for children with little or no horseback riding experience. Each week students kick off the class with an educational horse activity. Next they will get hands on experience with our wide variety of animals, learning proper handling diet and care for guinea pigs, bunnies, ferrets, hedgehog, miniature horses, mini cows, alpaca, emu, wallaby, goats, chickens and kittens. After the one-on-one riding lesson, students walk their horses back to the stable along with their instructor, to untack the horse and put them into their stall. Then the group feeds all the animals and learns regiments and proper medicinal care.

Days offered M-Tu-W 3:30-6 pm

## Early Release Riding

Instructor: Sweet Meadow Farm Staff  
Your child will enjoy a one on one riding lesson as well as a unique and exciting hands-on animal science experience. They will feed, groom, and care for our friendly barnyard and exotic animals (including a kangaroo and Mini Cows), and our small animals (rabbits, guinea pigs, gerbils and ferrets). They will also have access to our bird room where they can hold and feed our birds, all this in a safe environment.

## All About Ponies

Instructor: Sweet Meadow Farm Staff  
Beginning horsemanship for the animal lovers! In this drop-off class, children will learn to handle, care for, groom, tack up and ride our gentle and well-trained ponies. The focus of the class will be on ponies, however, they will spend time interacting with our friendly barnyard and exotic animals including a kangaroo, baby deer and small animals (rabbits, guinea pigs, gerbils and ferrets). As a group, we will have a chance to enjoy our bird room where they can hold and feed our friendly birds in a safe environment. At the end, they will have the opportunity to feed the ponies and put them to bed. All this is in our brand new insulated and heated barn! This is a drop off class.

Days offered M-Tu-W 3:30-6 pm
