General Discussion – Programs & Facilities:

The Fire Department is doing training in water safety through the Mass Fire Academy. The Chief has asked if the Recreation Department could help to offset the cost of the program. After some discussion, the Commission agreed that we could not commit at this time.

The ice rinks were to be set up on January 10, but, due to uncooperative weather, the date has been postponed. Hopefully, they will be set up on January 17.

Mrs. Kaseta will be sending out an email to arrange a Beach safety Team meeting later this month.
