1. Fall Programming Update/Comparison

Handout given. Cancelled fewer classes this Fall season compared to 2015.

2. Summer Programming - CAMP

Multiple Handouts. Three pricing options. Pricing for summer of 2017 should be based upon programmatic improvements to the camp to increase its quality. Additionally, it should factor in the minimum wage increase to \$11/hour which is effective for January 1, 2017. The programs at Wellesley High School should carry the cost of the school's facility rental fee.
