**Update on the WHS Track & Field Project and Fundraising:**

Tripp Sheehan informed the group NRC hosted a meeting to answer questions around infill and track surface. In regard to fundraising, the current total is \$889k. If the total fundraising exceeds cost of project, any funds leftover will be set aside for future improvements. Project will be going to Design Review then ZBA with the hopes of the posting of the RFP in late February.

**Update on 900 Worcester Street Project**

Bill Darcey informed PFTF that Corbelis and Frost made their presentations to the 900 Worcester street committee. Corbelis presented a \$60 million dollar project and Frost a \$10 million project. Next meeting is scheduled for January 12, 2016.

**2016 Summer Camps:**

Matt Chin informed the PFTF that the working group has been able to find indoor school locations, in case of inclement weather, for the various field rental groups for summer 2016. Patti Quigley said the Fiske and Schofield will be offline for the summer due to renovations.

**Spring Preparation of Baseball & Softball Fields:**

Rick Kinney informed Lee Field works looks good but the outfield fence needs to be moved back. NRC will need to vote on moving that. Mike Quinn informed the PFTF that the good weather has allowed for more infield work. Eric Lussier mentioned that the screen at Reidy field is curling up, Parks will look into fixing issue.

**General Field Discussion turf field weeds & Sprague netting maintenance:**

Brandon Schmitt told the PFTF that NRC is in discussion on what the best use of the Kelly Tennis courts would be, to remove or resurface. Mike Jennings and Parks will work together on the Sprague field netting specifically around the entrance to field.

**Citizen Speak:** None
