TERRIERS

The Terriers "Experience" - How and Why We Are Different

We are a Sports Based Youth Development organization building life and leadership skills in safe, fun and supportive environments. We create unique and rewarding athletic and social experiences for children by providing fun and enjoyable environments for kids to relax, enjoy unstructured play and participate in team sports. We eliminate the pressure and scrutiny kids are often subjected to in many of today's youth sports programs. While all of our programs offer organized activities and skill development, we also value equally the benefits of free play. The American Academy of Pediatrics (AAP) recognizes free and unstructured play essential for helping children reach important social, emotional and cognitive developmental milestones as well as helping them manage stress and become resilient. Many years of sincere "thanks" from our parents and participants tell us that we do this well and we look forward to another great year at Terriers!

April Vacation Baseball & Dodgeball

Grades 2-6: 9:00 AM to 12:00 PM

Min: 20/Max: 30

Develop baseball skills and get ready for the spring season. Instruction and games each day focus on baseball fundamentals; hitting, fielding, throwing, pitching and base running. Our games are fast paced, with lots of hits, base-running and fielding action. Instead of walks, strikeouts and inactivity found in many traditional youth baseball games, our teen CIT pitchers throw great pitches for plenty of hits and action. Awards are presented daily for Effort, Improvement and Sportsmanship and teams enjoy competing for the Terriers Bucket. New this year is the addition of a daily morning Dodgeball game for a fun warm up and workout before baseball! Participants receive team shirts and hats.
