The Wellesley Veterans' Council regrets to inform you that the annual fall carnival has been cancelled. The council could not meet with a satisfactory agreement with the carnival operator relative to his equipment, dates and insurance coverage. Therefore, the council voted to cancel the carnival.

We thank you for past support and future support in this most worthy cause. We are contemplating conducting a carnival in the spring(June) of 1986. If you have any comments relative to this proposed date please free to notify the council. (Negative or Positive)

Respectfully,

A. F. CUGNO
President
