Activity #731700

One of the goals of the Wellesley Recreation Department is to offer high quality programs to residents of our town at the lowest possible cost. We have been able to keep the pricing for our day camp relatively stable over the last several years. However, school facilities, rental costs are increasing this year. Our programs are supported by users fees and does not have the ability to absorb the full impact of an increase. As a result, we need to raise the program fee to reflect the increase in costs.

\*\* This year the 8th session will be entirely located at the Warren Building and will have smaller total numbers for each camp due to the reduced space. There will be no field trip this week, but there will still be daily trips to Morses Pond.
