Petition of Hunnewell Land Trust
891 Washington Street

Pursuant to due notice, the Special Permit Granting Authority held a Public Hearing on Thursday, May 12, 2005 at 7:30 p.m. at the Town Hall, 525 Washington Street, Wellesley, on the petition of HUNNEWELL LAND TRUST requesting renewal of a Special Permit pursuant to the provisions of Section II A 8 (a) and Section XXV of the Zoning Bylaw to allow the accessory garage apartment at 891 WASHINGTON STREET, in a Single Residence District, to continue to be used as a separate dwelling unit, a use not allowed by right in a Single Residence District.

On April 25, 2005, the petitioners filed a request for a hearing before this Authority, and thereafter, due notice of the hearing was given by mailing and publication.

Presenting the case at the hearing was Walter Hunnewell, Jr., who said that he is representing the owner of the property under the land trust. He said that he resides at 30 Pond Road. Mr. Hunnewell said that the subject structure is a brick and masonry detached garage with an apartment in it that was built in 1920. He said that there have been no changes to the conditions or the tenancy.

The Board said that the Planning Board had no objection to granting the request under the same terms and conditions.

Statement of Facts

The subject property is located at 891 Washington Street, on a 5.629 acre lot on the corner of Washington Street and Pond Road, in a Single Residence District. A two-family dwelling, two detached garages, and a barn are located on the premises. The garage closest to the house was constructed in the early 1900's and is used as a three-car garage, which has an attached two-story apartment. In June 1987, the Board of Appeals granted a Special Permit (ZBA 87-48) for the premises to be used as a separate dwelling unit, as the use had been discontinued for more than a two-year period. The Special Permit was renewed every three years since that time.

On May 10, 2005, the Planning Board reviewed the petition and had no objection to granting the request under the same terms and conditions.

Decision

This Authority has made a careful study of the materials submitted and the information presented at the hearing. It is the opinion of this Authority that the requested Special Permit can be granted pursuant to Section II A 8 (a) of the Zoning Bylaw to allow a garage apartment at 891 Washington Street to continue to be used as a separate dwelling unit, as said use shall neither be detrimental to the neighborhood nor in derogation of the intent and purpose of the Zoning Bylaw.

Therefore, a Special Permit is granted, as voted unanimously by this Authority at the Public Hearing, subject to the following conditions:

1. All applicable State and local laws and regulations shall be complied with by both the petitioner and the tenant.
2. This Special Permit shall expire three years from the date time stamped on this decision.
