Re: ZBA 2008-81
Petition of Town of Wellesley/Permanent Building Committee/School Building Committee

Dear Mr. Eby,

At the December 11, 2008 Public Hearing, the Zoning Board of Appeals voted that it was the sense of the Board that the height being proposed for the new High School is reasonable, particularly in view of Chapter 40A, Section 3 and that the height is not unreasonable under the present configuration that was supported at the polls. The Board stated that this is not a permit and it is not appealable.

Sincerely,

Richard L. Seegel
