Petition of John L. Worley

Pursuant to due notice the Board of Appeal held a public hearing in the hearing room on the second floor of the Town Hall at 8:00 p.m. on March 20, 1969, on the petition of John L. Worley for permission to continue to use the premises at 637 Washington Street as a rooming and lodging house as provided under Section XXIV-E of the Zoning By-law.

The petitioner spoke in support of his petition at the hearing.

On January 13, 1969, the petitioner filed application for a hearing before this Board and thereafter due notice of the hearing was given by mailing and publication.

Statement of Facts

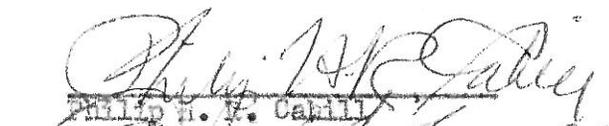

At the hearing the petitioner requested a renewal of the permit granted to him a year ago by this Board. He stated that his conditions have not changed; he cannot afford to maintain the house which contains twenty-two rooms, unless he is able to obtain some income from it. He further stated that he has no more lodgers than he did a year ago when he had five, and that he is not occupying the third floor as requested by this Board.

Decision

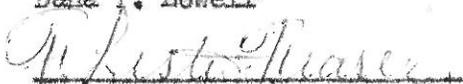

The Board finds that the conditions in this case are substantially the same as they were a year ago when it granted a permit for the premises to be used as a rooming and lodging house.

It is the opinion of the Board that because of the size of the house and the number of rooms which it contains, it can no longer be used or adapted at a reasonable expense and with a fair financial return for a use regularly permitted within a single-residence district.

Accordingly, the requested permission is granted under the provisions of Section XXIV-E of the Zoning By-law for one year from the expiration of the permit for which this is a renewal and upon the conditions set forth in the Board's decision on, "Petition of John L. Worley" filed with the Town Clerk on February 9, 1969.
