Dear Miss Toy

Here is the letter you requested, as of our conversation of June 12, 1973.

Due to the rather savage objections of our New neighbors, we are withdrawing our request for permission to alter the house at 30 Laurel Ave., Wellesley Hills. It seems obvious the request will be turned down anyway,

We have, however, created a room and $\frac{1}{2}$ Bath in our 3rd floor so that we may have more room for my mother in law. She has sold her house and is moving in here in 2 weeks.

We started trying to line this job up last February, but it will be completed in time now except for one last thing,

We need a skylight for additional light in the 3rd floor. You, Miss Toy, have assured us that that will be no problem.

Could you please hurry a building permit!!

Yours Truly
Mr. + Mrs. Jeffrey Stevens
