

WELLESLEY MUNICIPAL LIGHT PLANT

ELECTRIC RATE SCHEDULE

RESIDENTIAL SERVICE

Rate Schedule RS-1

MA DTE # 05-2

AVAILABILITY

Service under this rate schedule is available throughout the entire territory served by the Wellesley Municipal Light Plant ("WMLP") for lighting, heating and other domestic purposes by any individual private dwelling or apartment where the bills are rendered by the WMLP directly to the individual apartment tenants.

MONTHLY RATES

Customer Charge:	\$3.90 per Billing Period
Energy Rates:	
First 400 kWh	\$0.08318 per Billing kWh
Over 400 kWh	\$0.09488 per Billing kWh
Minimum Charge:	\$3.90

PURCHASED POWER ADJUSTMENT

The Purchased Power Adjustment charge per kWh, calculated pursuant to Rate Schedule PPA-1, is applicable to all kWh billed pursuant to this rate schedule.

NYPA HYDROPOWER CREDIT

So long as the New York Power Authority ("NYPA") makes hydropower available to the WMLP at a cost less than the cost of the power the NYPA power is replacing, the NYPA Hydropower Credit will be available to all residential customers taking service under this rate schedule.

Based on fixed prices provided by the Constellation Power Source, Inc. ("CPS") power supply agreement and NYPA, the NYPA Hydropower Credit will be fixed at the monthly rate of \$0.00041 per kWh for the remainder of the CPS agreement, September 30, 2007, pursuant to the following formula:

$$PC = (A - B)/C$$

Where:

$$PC = \text{The monthly NYPA Hydropower Credit factor per kWh.}$$

NYPA HYDROPOWER CREDIT - CONTINUED

- A = The total projected cost of NYPA Hydropower; including demand and energy charges, transmission charges, administrative, other NYPA service charges an adjustment for the over allocation of the NYPA Hydropower Credit by the WMLP in prior months.
- B = The replacement cost of NYPA Hydropower calculated by multiplying the NYPA Hydropower kWh credits set forecast period by the then applicable CPS fixed kWh rate.
- C = The WMLP's estimated kWh sales under this rate schedule for the forecast period.

CONSERVATION SERVICE CHARGE

In addition to the charges set forth hereinabove, a Conservation Service Charge, calculated pursuant to Rate Schedule CSC-1, shall apply to all bills rendered under this rate schedule.

EARLY PAYMENT DISCOUNT

A discount of five percent (5.0%) will be allowed on current customer and energy charges, if full payment, including any prior balance, is received by the WMLP within fifteen (15) days after the date of the bill. No discount will be allowed on Minimum Bills, the Purchased Power Adjustment charge, the NYPA Hydropower Credit or the Conservation Service Charge.

LATE PAYMENT CHARGE

A late payment charge of 1.5% per month, or any portion thereof, shall be added to the bill payable to the WMLP when all or any part of any prior bill remains unpaid for more than thirty (30) days after the date of the bill. The charge will be computed starting on the thirty-first (31st) calendar day after the date of said bill.

BILLING PERIOD

The WMLP reserves the right to read meters and render bills on a monthly basis.

BILLING KWH

The Billing kWh shall be the metered kWh of energy consumption during the Billing Period.

ESTIMATED BILLS

When an actual meter reading cannot be taken on the normal meter reading schedule for the Billing Period, an estimated bill will be rendered based upon usage data provided by the customer or estimated by the WMLP.

VACATION BILLING

Any customer whose premises are to be closed for an extended time, but where service is still desired by the customer, may so notify the WMLP in writing. If arrangements satisfactory to the Director of the Municipal Light Plant are made, only minimum bills will be rendered during the period when the premises are unoccupied. When the premises are again occupied, the customer will be billed for the energy used during the period when the premises were unoccupied. In the event the customer requests service be disconnected during the period when the premises are unoccupied, the minimum charge for the unoccupied period will be zero but a re-connection charge of \$45.00 will be rendered at the time the customer requests the WMLP to reconnect service.

TERM OF CONTRACT

Service under this rate schedule is subject to termination at any time upon the WMLP's receipt of written or verbal notice from the customer, and is subject to the provisions of the WMLP's Rules and Regulations.

DELINQUENT ACCOUNTS

The WMLP reserves the right to discontinue service after due notice, and to remove its property from the premises of any customer who fails, for a period of thirty (30) days, to pay any bill due the WMLP for electric service or fails to perform any obligations to the WMLP. Before any service so disconnected shall be reconnected, the customer shall make arrangements satisfactory to the Director of the Municipal Light Plant for payment of any such past due accounts and accrued Late Payment Charges and a re-connection charge. If re-connection is made between 7:00 AM and 4:00 PM Monday through Friday, excluding holidays, the re-connection charge will be \$45.00. If reconnection is made at any other time, the re-connection charge will be \$100.00.

INTERRUPTION OF SERVICE

The Wellesley Municipal Light Plant shall not be responsible for any failure to supply electric service hereunder, nor for interruption of service, reversal or abnormal voltage of supply if such failure, interruption, reversal or abnormal voltage is without willful default or gross negligence on the part of the WMLP.

Whenever the integrity of the WMLP system or the supply of electricity is threatened by conditions on the WMLP system or the systems with which the WMLP is directly or indirectly interconnected, or whenever it is necessary or desirable to aid in the restoration of service, the WMLP may, in its sole judgment, curtail or interrupt electric service or reduce voltage to some or all of its customers and such curtailment, interruption or voltage reduction shall not constitute willful default.
