Pursuant to due notice, the Special Permit Granting Authority held a Public Hearing on Thursday, September 6, 2012 at 7:30 p.m. at the Town Hall, 525 Washington Street, Wellesley, on the petition of WELLESLEY COLLEGE requesting renewal of a Special Permit pursuant to the provisions of Section II A 8 (b) and Section XXV of the Zoning Bylaw to allow the premises at 33 DOVER ROAD to continue to be used for education purposes as a language residence for seven Wellesley College students, which is a use not allowed by right in a Single Residence District.

On July 23, 2012 the petitioner filed a request for a hearing before this Authority, and thereafter, due notice of the hearing was given by mailing and publication.

As there was no quorum of Board Members, the hearing was rescheduled to September 6, 2012.

#### September 6, 2012

Presenting the case at the hearing was Peter Eastment, Director of Housing & Transportation, Wellesley College.

Mr. Eastment said that 33 Dover remains as the use for the French House for seven students. He said that the main house has nine students. He said that there is no change in the use.

Mr. Eastment said that there have been no complaints from the neighbors.

There was no one present at the Public Hearing who wished to speak to the petition.

#### Statement of Facts

The subject premises is located at 33 Dover Road, on a 46,135 square foot lot abutting the Nehoiden Golf Course, in a Single Residence District. The property has been owned by Wellesley College for many years and contains a main house and a carriage house. Nine Wellesley College students live in the main house. Seven students live in the carriage house, which is used as a language residence for students majoring in French.

In 1984, Wellesley College was granted a Special Permit to allow the carriage house to be used as a separate dwelling unit to house seven students on the same lot as the main house. This Special Permit has been renewed annually or biennially since that time. The College is seeking renewal of the Special Permit under the same conditions as previously granted.

On August 9, 2012, the Planning Board reviewed the petition and recommended that the Special Permit be renewed subject to the same terms and conditions as are currently in effect.

### Decision

This Authority has made a careful study of the materials submitted and the information presented at the hearing.

The Petition seeks renewal of a Special Permit to allow the carriage house at 33 Dover Road to continue to be used as a residence for seven college students on the same property that contains a main house housing nine students in a Single Residence District.

It is the opinion of this Authority that the continued use of the carriage house as a separate dwelling unit shall not disturb or disrupt the customary character of the residential neighborhood, and is in harmony with the intent and purpose of the Zoning Bylaw.

Therefore, a Special Permit is granted for the requested use, as voted unanimously by this Authority at the Public Hearing, subject to the following conditions:

1. No more than seven Wellesley College students shall be housed in the carriage house at any one time.
2. The Petitioner shall comply with the requirements and recommendations of the Inspector of Buildings and the Fire Department.
3. Sufficient off-street parking shall be provided so that no vehicle associated with the carriage house shall be parked on any street in the neighborhood.
4. No sign identifying the premises shall be displayed on the property except in accordance with the Zoning Bylaw.
5. There shall be no disturbance or disruption to the residential neighborhood.
6. This Special Permit shall expire two years from the date time stamped on this decision.
