Petition of Aqua Spray of Wellesley, Inc.

Pursuant to due notice the Board of Appeal held a public hearing in the hearing room on the second floor of the Town Hall at 8:25 p.m. on June 22, 1967, on the petition of Aqua Spray of Wellesley, Inc., requesting a special permit under the provisions of Section XXIIIA, Part C, Subpart 3 a 7, and Part E, of the Zoning By-law which will allow the applicant to erect a standing sign at 170 Linden Street.

On June 5, 1967, the petitioner requested a hearing before this Board and thereafter due notice was given by mailing and publication.

John M. Kelly, attorney, represented the petitioner at the hearing.

Statement of Facts

The petitioner seeks permission to erect a standing sign fifty feet back from Linden Street. The proposed sign is designed to be 3'11" x 3'11", supported on a steel pole 5' high. It is to have a blue plastic background with white lettering, "Aqua Spray Car Wash - In - Out" and will be placed in a planter 2' x 4' and 2' high.

It was stated at the hearing that the petitioner has taken over the car wash business recently and needs a sign to identify its location. The building is located 155' back from Linden Street, therefore, it is necessary to have the proposed sign to orient those coming to the car wash to make the proper entrance.

A plot plan drawn by Gleason Engineering Co., dated May 8, 1967, was submitted together with sketches of the proposed sign.

Decision

The Board finds that the proposed sign will be in harmony with the general purpose and intent of Section XXIIIA of the Zoning By-law and will not be injurious to the neighborhood nor to traffic and safety conditions, nor otherwise detrimental to the public safety and welfare.

Accordingly, the Board hereby grants permission for the proposed sign to be erected as shown on the plan submitted and on file with this Board, with pole to be no closer to the street line than fifty feet.
