ZBA 92-9  
Petition of Jane Peele Greene  
37 Pond Road

Pursuant to due notice, the Special Permit Granting Authority held a Public Hearing on Thursday, February 20, 1992 at 8 p.m. in the Selectmen's Meeting Room (Conference Room B) of the Town Hall, 525 Washington Street, Wellesley, on the petition of JANE PEELE GREENE requesting renewal of a Special Permit pursuant to the provisions of Section II A 8 (a) and Section XXV of the Zoning Bylaw to allow the premises at 37 POND ROAD, in a Single Residence District, to continue to be used as a residence for not more than two families, a use not allowed by right in a Single Residence District.

On February 3, 1992, the petitioner requested a hearing before this Authority and thereafter due notice of the hearing was given by mailing and publication.

Presenting the case at the hearing was Nathanael Greene, son of the property owner, Jane Peele Greene. Mr. Greene said that the conditions under which the Special Permit is granted have not changed; only the tenants have changed.

No other person present had any comment on the petition.

#### Statement of Facts

The subject property is located at 37 Pond Road, in a Single Residence District, on a 7.96 acre lot. The house, built in 1875, has been in the family since its original construction. The house contains thirty-five rooms and cannot be used economically as a single family dwelling. Jane Peele Greene, the owner, currently lives in Guilford, Connecticut, but her son, Nathanael Greene, occupies one-half of the premises. The apartment is tenant occupied.

The petitioner requests permission to continue the present use of the premises as a two-family dwelling. Special Permits to continue this use have been granted regularly since the first Special Permit was issued in 1973.

On February 11, 1992, the Planning Board reviewed this petition and voted to offer no objection to the renewal of the Special Permit.

#### Decision

This Authority has made a careful study of the evidence submitted and is of the opinion that the continued use of the house as a two-family dwelling, with the son of the owner as a resident, will not substantially reduce the value of any property within the neighborhood and will not be injurious or offensive to the neighborhood.

2. All applicable State and local laws and regulations shall be complied with by the petitioner, her son, and the tenant.
3. Said Special Permit shall expire two years from the date of this decision.
