

Why am I receiving this?

In an effort to "Go Green" and reduce our printing/ mailing costs, the Wellesley Recreation Department will no longer be mailing our full brochure. Instead, you should be looking for a pamphlet, similar to this one, arriving at your home four times a year. Here you will find our registration dates and contact information, as well as information on some of our new and more popular programs, and special events.

The Recreation Department will still print a limited number of our full length brochures, which will be available for pick-up at the Recreation Department, Town Hall and various other locations around town. Please call our office for the list. The full brochure will also be available on-line: www.wellesleyma.gov/recreation.

We appreciate your support in this cost savings effort and welcome your feedback regarding any aspect of our Department. Please feel free to email us at jkaseta@wellesleyma.gov

Wellesley Recreation.... "Something For Everyone!"

The Wellesley Recreation Department offers programs year round and publishes seasonal brochures for fall, winter, spring and summer programs.

All Recreation Department programs are self-supporting. Fees charged for programs cover the cost of materials, pay instructor salaries and help defray other costs. Non-residents may register for classes and are charged a \$10 per class non-resident fee.

The Wellesley Recreation Commission consists of five elected members, who meet regularly to review policy and procedures. The Commission welcomes community input.
