Instruction combined with game playing, having fun, and five weeks of unlimited practice time allows kids to develop their ski skills and an appreciation of the sport. **The cost for rentals is an additional \$35 (+tax) that the parents will pay on the day of the first class. The reason we do it this way is because several folks have their own equipment! There is an additional Trail pass which costs \$29 for the 5 classes which must be purchased on the first date of the class in Weston. Children under the age of 6 CAN NOT participate in Ski lessons.** What To Wear and Bring Cross-country ski clothes should offer protection from the cold, wind, and snow (even if it's not snowing, you are likely to fall a time or two). The challenge in cross-country skiing is to stay warm without over-dressing. • Base & Insulating Layers: Wear several thin layers of wool or synthetic clothing (fleece, running tops and/or tights, polypro outdoor apparel, etc.) that can be easily added or removed. • Top Layer: Wind- and water-resistant jackets and pants are highly recommended. • Hat and Gloves are required. • On Your Feet: Wool/Smartwool socks are best. • Avoid cotton clothing (jeans, most T-shirts) as it will not keep you dry or warm. • Don't overdress – sweating doesn't help you stay warm.

WEATHER CANCELLATIONS: Because we make our own snow, we are capable of holding classes in almost any weather. Rarely are classes cancelled due to a lack of snow, though we do not hold classes in steady rain. Please call Charles River Canoe & Kayak (617-965-5110) if you have any question as to whether classes will be held. No refunds will be granted for missed classes. Weston Ski Track reserves the right to cancel classes due to unsafe weather conditions and will make final decisions two hours before the start time of the event.

IMPORTANT NOTE: For cancellations received fewer than 48 hours before your scheduled activity, we are unable to offer any refunds.

124989

(Grades 2 - 5)

Instructor: JrCode Staff

JrCode's Intermediate class really puts children's "Scratch" skills to the test. The course utilizes the online platform, Scratch, and will build upon the fundamental skills from their previous experiences to develop more advanced projects and games. This class is ideal for older elementary kids or for ones that have previous experience with the Scratch platform. This course will introduce students to more advanced coding concepts and procedural thinking methodologies to prepare students to make the switch over to the JavaScript Intro course. This course is not recommended to new students with no coding experience as they will be missing some of the fundamental building blocks (and fun!). The course does require student to have a laptop (PC, Mac or Chrome) but if your child will not have access to a laptop during this course, please let us know.

Students play the role of young entrepreneurs as they start with the germ of an idea for a product and business and take it through the entire entrepreneurial process. Loosely based on the TV show Shark Tank, our students develop prototypes, formulate a business plan and devise a marketing strategy. Meanwhile, students learn through contextual lessons on concepts such as wages, profits and branding while designing print ads, acting out "TV commercials," researching real estate locations and creating replicas of their storefronts. The class concludes with our young executives pitching their ideas to a celebrity panel of parent "sharks." These young executives will really be taking care of business!

Fencing

(Grades 3 - 6)

Instructor: Zeta Fencing Staff

The modern sport of fencing provides a great physical and mental workout for students of all athletic abilities. At the same, it is so much fun that our students don't even think of it as a workout! During the 8-week program, participants will master the basic skills of footwork, blade moves, and tactics of modern fencing. They will also learn about the history and traditions of one of the oldest sports in the world and experience the values of true sportsmanship. On the last day, students will fence a tournament. All fencing equipment will be provided. Students need to wear loose-fitting sweat pants (no jeans, tights, or cargo pants), a T-shirt, and athletic shoes that are closed on top (no velcro). **INSURANCE REQUIREMENT:** In order to comply with insurance requirements, all participants need to sign up for a non-competitive membership with USA Fencing prior to the first day of the program. The non-competitive membership costs \$10 and is included in class fees. Something for Everyone

Community Band

The town's (founded 9/13) wind band invites players at all levels to join it's relaxed Monday evening gatherings of brass, woodwind and percussion players. There are no auditions; all are welcome. We play a mix of concert band favorites, light classics, show tunes and marches.

Dust off that old horn and recapture the joy of youthful music making. We pretty much follow the school year with three eleven week sessions September through June. The band is conducted by Henry Platt.

Register online at www.wellesleyma.gov/recreation or call the Recreation Department. For players who just show up with horn in hand, registration forms will be available at start-up time.
