Everyday Etiquette

124301

(Ages 8 - 11)

Instructor: Janet Parnes

"I can't cut this meat!" "I don't like meeting grownups!" "Does she have to play with us?" Life brings its share of awkward moments for children. The ABCs of Etiquette leverages role-play, games, and historical trivia to teach life skills that boost confidence and develop qualities such as respect, consideration, and patience. Children can be comfortable dining at home or away, introducing and being introduced, and making kind, respectful choices in dealing with friends and family. Topics include introducing ourselves and others (posture, eye contact, the handshake, how to introduce/respond), basic dining skills (when to be seated/start eating, setting the table, napkin handling, holding silverware, cutting technique, etc.), and tips on being a kind/respectful friend and family member. Session includes snack, workbook, and gift.

* A Note to Parents For Nashoba Ski

The Recreation Department has been offering ski lessons at Nashoba Valley for a number of years. There are a few things that you can do to help us. We do ask that your child wear the ski band provided by us, so that we can identify those in our group.

If you must pick your child up at Nashoba, then you will also be responsible for getting them to Nashoba that day. Last, but not least, we ask that you BE ON TIME TO PICK UP YOUR CHILD. The bus is usually back at the Warren Building parking lot by 5:15 pm at the latest for the Wednesday program, and for the Friday night program by 9:30 pm.
