Ladies and Gentlemen:

In an effort to develop a second and third estimate for the work needed to replicate and restore the 1920's Belvedere Abbott Road sign, Tory DeFazio pursued vendors recommended to him by the Planning Director of the Town and the Chair of the Historical Commission. It would appear that none of these potential vendors were as well suited to perform this work as the original contractor approached by Tory DeFazio. Although this original bid seemed high we agree that this vendor seems best suited to perform this work and, therefore, we will not oppose proceeding with this contractor. Accordingly, we support the request for \$6,000 to replicate and restore this sign.

Sincerely yours,
