Ladies and Gentlemen:

The Wellesley Historical Commission believes that it makes good sense for the Wellesley Historical Society to explore the feasibility of repositioning the Dadmun-McNamara house on its lot and to explore the feasibility of adding 5,000 square feet to the rear of the house. The Historical Commission would like three quotes for conducting this feasibility study. Once we have that information we will be able to make a recommendation.

Sincerely yours,

A handwritten signature in black ink that reads "Dwight Lueth".

Dwight Lueth
Chairman, Wellesley Historical Commission
