

RESOURCES FOR PARENTS, CHILDREN, TEACHERS, AND CARETAKERS

(This is an introductory sample of the many useful sites on the web. If you find others that you feel should be included, please let us know at [www. Wellesley cert Gov?](http://www.WellesleycertGov?)

(Note that many of these materials are available in Spanish and other languages)

1) At http://www.citizencorps.gov/ready/cc_pubs.shtml

You can Download FEMA (Federal Emergency Management Agency) publications:

- i. Citizen Corps-Get involved now.
- ii. Consider training for and joining the Wellesley CERT team?
- iii. Cert-Community Emergency response team.
- iv. Fire Corps- Citizens helping fire and EMS

Disaster Preparedness Activity Book (Ages:4-7

Disaster Preparedness Activity Book (Ages:8-11)

Are You Ready? An In-depth Guide to Citizen Preparedness: a 100-page publication that provides a step-by-step outline on how to prepare a disaster supply kit, emergency planning for people with disabilities, how to locate and evacuate to a shelter, and even contingency planning for family pets. Natural hazards and man-made threats from hazardous materials and terrorism are also treated in detail with specific preparedness and response

Preparing for Disaster

Provides step-by-step disaster preparedness procedures including hazard identification, how to create a family disaster plan, how to assemble a disaster supplies kit, and how to maintain a plan and kit.

Helping Children Cope with Disaster

Provides information on how to prepare children prior to disaster and how to lessen the emotional effects of disaster.

Food and Water in an Emergency

Explains how to select and store food and how to store and treat water in the event of an emergency. Provides information on emergency cooking, where to locate emergency water, and how to assemble a portable disaster supplies kit with food and water.

Preparing for Disaster for People with Disabilities and other Special Needs

Provides disaster preparedness information specific to people with disabilities and other special needs, including the elderly.

At www.bt.cdc.gov/preparedness/

Emergency preparedness for teachers, students and families

CDC (Center for Disease Control and Prevention) site for emergency preparedness

At www.redcross.org/

You can find a collection of downloadable checklists from the Red Cross for preparing for different emergencies- very simple and clear

ESPECIALLY FOR CHILDREN

Parents & Teachers

Sesame Workshop, along with its project partners has created Let's Get Ready! Planning Together for Emergencies with tips, activities, and other easy tools to help the whole family prepare for emergencies – together!

The following are links to great resources on being prepared and talking to your kids about challenging subjects.

At <http://www.fema.gov/kids/dizkid1.htm>

You can become a FEMA Disaster Action Kid and get a certificate! Disaster Action Kids also get to be part of a special E-mail group, and will receive exciting news and

information directly from FEMA on a regular basis.

Being a Disaster Action Kid is Fun! Disaster Action Kids are prepared! They know what items are needed in a disaster supply kit. They know how to protect their pets during a disaster. They also know what to do during each type of disaster. Being a Disaster Action Kid isn't easy, but it's worth it! Get your friends involved, too. All you need to do is read about disasters on this site, do the activities and test your knowledge.
