Online Public Meeting for the Bacon Street Bridge Replacement Project, Wellesley

The MBTA invites you to an online public information meeting for the Bacon Street Bridge Replacement Project, hosted on Zoom.

**Wednesday, June 3, 2020
6:00 PM to 7:30 PM**

The MBTA Capital Delivery Department and its Design-Build Team will present a design and construction update for the replacement of the Bacon Street Bridge. The bridge carries commuter rail service for the Framingham/Worcester Line over Bacon Street in Wellesley, between Natick Center and Wellesley Square near Morses Pond. The existing bridge, built in 1911, is being replaced as a part of the MBTA's reliability and modernization program.

To protect the health of the project team and meeting attendees, this meeting will be hosted online, using Zoom. We encourage you to attend this meeting and provide feedback. The meeting will allow time for Questions + Answers.

Details on how to join and participate in the meeting will be posted on the [project website](#) prior to the meeting.

The presentation will be posted on the website in advance of the meeting to give people who can only attend by phone an opportunity to review the presentation. The meeting will be recorded and posted on the website for those who cannot attend. The MBTA will also accept comments at the project email address at BaconStBridge@MBTA.com.

If accommodations are needed such as closed captioning or language interpretation, or for other inquiries and comments related to the project, please email BaconStBridge@MBTA.com or call our 24-hour hotline at 617-571-7878. For more information about the project visit MBTA.com/BaconStBridge.
