Reports from School Committee Members

L.Chow said she did receive a letter from the principal of Epsilon Associates. She has forwarded this to all School Committee members.

No other reports.

At 6:16 pm, L.Chow entertained a motion to enter into an executive session under G.C. c. 30A, §21(A), exemption #3 – Strategy with respect to collective bargaining with the Wellesley Educators Association because, as Vice Chair, I declare that to discuss this in Open Session would have a detrimental effect on the negotiating position of the Committee. We will not be reconvening in an open meeting.
