TOWN MEETING PREPARATION

The Committee discussed the most recent iterations of the Motion under Article 44. The Committee agreed to support this amendment, although it continues to oppose the Motion.

Ms. Mirick will be given twelve minutes to respond to the Motion under the Article, which is awaiting a final vote at Advisory this evening. Ms. Chow and Ms. Mirick will attend the Advisory Committee meeting immediately before Town Meeting to see what further changes are proposed. In addition to her planned response during Town Meeting, Ms. Mirick will answer questions or direct them to the appropriate members of the School Department.
