2018-19 Updates
- New playground coming this summer.
- 3rd special education teacher position being added to Bates, in exchange for two special education teaching assistants; this move will allow for coordinated services from one special education teacher; special educators will have fewer students on their caseload
- New district positions: Director of Library and Innovation and Director of Diversity, Equity and Inclusion

Spring Safety Drill
- All schools will roll out a new “outside - in” drill at the end of May
- Students will be asked to quickly enter the building from recess, without lining up

School Improvement Plan (SIP)
We shared copies of updates to our SIP to discuss at our June 4 meeting. Discussion will include progress made this year (year 3) and ideas for next steps. New SIP may have new format, which will be decided this summer.

Standards Based Report Card (update)
The new SBRC being rolled out for 2019-20 will be previewed at tonight’s School Committee meeting. Teachers will receive preview/ introduction on June 5. A copy will be shared at the June 4 meeting.

Also, check out the Town Art Show on display starting tonight at the Main Library.

June 4 will be our last meeting of the year.
