Petition of Crossroads Counseling, Inc.
219 Washington Street

Record Property Owner: Wellesley Friendly Aid Association

Pursuant to due notice, the Special Permit Granting Authority held a Public Hearing on Thursday, April 6, 2017 at 7:30 p.m. in the Juliani Meeting Room, 525 Washington Street, Wellesley, on the petition of Crossroads Counseling, Inc. requesting renewal of a Special Permit pursuant to the provisions of Section II A 8 (b) and Section XXV of the Zoning Bylaw to allow the continued operation of a mental health clinic on the premises at 219 Washington Street, which is a use not allowed by right in a Single Residence District.

On February 23, 2017, the Petitioner filed a request for a hearing before this Authority, and thereafter, due notice of the hearing was given by mailing and publication.

Presenting the case at the hearing was Linda Cohen, Crossroads Counseling. She said that the mental health clinic has been in operation in the Friendly Aid Building at 219 Washington Street for 23 years. She said that the request is for extension of the special permit.

The Chairman said that the name of the Petitioner should be changed from Wellesley Friendly Aid Association to Crossroads Counseling, Inc. Ms. Cohen said that Wellesley Friendly Aid Association is the owner of the building. She said that Crossroads Counseling rents space from them. The Chairman said that the special permit runs to Crossroads Counseling. The Board said that previous special permits were issued to Crossroads Counseling.

Ms. Cohen said that there are no changes. The Board confirmed that the hours of operation and the number of employees are the same.

There was no one present at the public hearing who wished to speak to the petition.

Statement of Facts

In 1994, the Petitioner, a group of nine social workers, was formed to continue to give the services previously provided by Family Counseling Region West, Inc., when Family Counseling discontinued its services at the existing premises at 219 Washington Street. The Special Permit, which had been granted to Family Counseling, was assumed by the Petitioner after the dissolution of Family Counseling.
