Re: 16 Stearns Road and 680 Worcester Street – School Bus Services

Dear Chairman Levy,

At the public hearing on February 13<sup>th</sup> as well as other times during the public hearing process, the topic of school bus service has been raised.

We have since followed up with the Wellesley Public Schools Department, more specifically the school Transportation Department. The Transportation Department confirmed that Francis Road & Stearns Road, as well as 680 Worcester Street are not eligible for school busing.

We have included a link that indicates that eligibility is intended for students that live 2 miles or more away from there designated school.

This additional link further confirms that future residents of both proposed 40B projects will not be eligible for bus service. Bus Eligibility:

We hope this answers these outstanding questions.

Sincerely,
