

## **COVID-19 Control Plan Town of Wellesley**

### ➤ **Installer Exposure**

- **Installers will have their temperature taken and recorded prior to starting daily installation by the Wellesley Water Department.**
- **Masks and Disposable Rubber Gloves will be worn during the course of installing the new water meter.**
- **Installer will attempt to gain access to meter by means other than entering through customer's living space.**
- **Customers will no longer sign the Iform during this time.**

### ➤ **Customer Exposure**

- **Prior to entering, installers will ask customers the following questions:**
  - **Has anyone in the home had COVID-19 symptoms in the past 14 days?**
  - **Has anyone in the home been in contact with someone who has had COVID-19 symptoms in the past 14 days?**
  - **Is there access to the water meter other than through your living space, such as a bulk head?**
- **Customer will no longer sign the Iform during this time.**

### ➤ **Contact Tracing**

- **Through normal procedure, date, time and installer will be recorded using the IdataCollect app/software at every site visited.**
- **Daily appointment schedules will be emailed to the Town of Wellesley.**
