Petition of Anne Bae
36 Brook Street

Pursuant to due notice, the Special Permit Granting authority held a Public Hearing on Thursday, March 4, 2021 on the petition of Anne Bae requesting renewal of a Special Permit pursuant to the provisions of Section 2 A 8 (a) and Section 25 of the Zoning Bylaw to continue to allow the premises at 36 Brook Street to be used as a residence for not more than two families, which is a use not allowed by right in a Single Residence District.

On January 13, 2021, the petitioner filed a request for a hearing before this Authority, and thereafter, due notice of the hearing was given by mailing and publication.

Present at the public hearing was Anne Bae, the Petitioner, who said that the request is for renewal of a special permit to rent a portion of 36 Brook Street. She said that she lives at 36R Brook Street, which is the apartment over the garage. She said that the main house has 6 bedrooms and 4 full baths and she does not need all that space. She said that she submitted information to Zoning Board of Appeals explaining the house and the history. She said that a special permit for this was first granted in 1993. She said that she has come back with a request to renew the special permit every two years with the exception of the period that it was extended under the Permit Extension Act.

Ms. Bae said that her daughter used to live in the main house but has moved out of state. She said that she has since moved into 36R Brook Street.

There was no one present at the public hearing who wished to speak to the petition.

Statement of Facts

The subject property is located at 36 Brook Street, in a Single Residence District, on a 24,082 square foot lot. The house contains 24 rooms, including 6 bathrooms, 1 kitchen and 1 kitchenette. The dwelling was constructed in 1890 and was used as a two-family dwelling from that time until it was purchased by Pine Manor College in the 1940's. In 1947, the Board of Selectmen granted permission for its use for Educational purposes. From 1948 to 1960, the property was used as a dormitory by the Dana Hall School, and Special Permits were granted annually or biennially by the Board of Appeals for that use. In 1965, the property was purchased by John J. Dillon, who changed its use from a dormitory to a single family dwelling.

In 1984, the property was purchased by the Petitioner and used as a multi-family dwelling without benefit of a special permit for that use. Since 1993, the Board of Appeals has granted a special permit for the use of the premises as a two-family or an annual or biennial basis.

On January 25, 2021, Michael Grant, Inspector of Buildings, completed an inspection of 36 Brook Street, in accordance with ZBA 2019-06, Condition 4.

On February 11, 2021, Jason Tobin, Civil Engineer, Town of Wellesley, reviewed the petition and submitted comments.

On March 3, 2021, the Planning Board reviewed the petition and recommended that the Special Permit be approved on the same terms and conditions.

Decision

This Authority has made a careful study of the materials submitted and the information presented at the hearing. It is the opinion of this Authority that the continued use of the premises as a two-family dwelling will not be injurious or offensive to the neighborhood, and that the dwelling can no longer be used or adapted at a reasonable expense and with a fair financial return without the rental income from the second dwelling unit.

Therefore, a Special Permit is granted, as voted unanimously by this Authority at the Public Hearing for the Petitioner to continue to use the premises as a residence for not more than two families, subject to the following conditions:

1. The premises shall contain **two and only two** dwelling units; namely the "Main House" and the "Garage Apartment"; and at no time shall additional cooking facilities of any type be installed in any room of the premises except in the two kitchens currently in existence, nor shall any bathrooms be added.
2. The property owners, Anne Bae or a son or daughter and partners shall be an occupant of one of the two units at no remuneration for the duration of the special permit.
3. All applicable State and local laws, ordinances and regulations shall be complied with by both the Petitioner and the tenant(s).
4. The premises shall be inspected by the Zoning Enforcement Officer within a two-week period prior to the filing of a request for renewal of this Special Permit, to ensure continued compliance with Section II A 8 (a) of the Zoning Bylaw. A report of the inspection shall be submitted by the Zoning Enforcement Officer to the office of the Board of Appeals.
5. The responsibility for arranging said inspections is that of the Petitioner.
6. There shall be parking for no more than five resident vehicles on the property.
7. All parking related to the use of the premises shall be on-site, and no parking related to the use of the premises as a two-family dwelling shall be allowed on Brook Street or adjacent streets.

8. If the property owners, Anne Bae or a son and daughter and partners are the occupants of either unit, a live-in caregiver and a Son/Daughter and partner or significant other shall be permitted to reside there as well. If the Main House is the rental unit, an au pair, nanny or caregiver shall be permitted to reside with a single family unit. Except as stated above, the occupants of both units must be a single family unit with all persons related.
9. There shall be no parking of boats or trailers on the property.
10. This special permit shall lapse, expire and be of no further effect upon the earlier of the following to occur:
 - a. Conveyance of the property by its current owners, the Trust that owns the property, or
 - b. The expiration of this special permit.
11. The current property owners, Anne Bae or the Trust that owns the property, shall disclose to potential buyers early in the real estate process that Condition #10 of this Special Permit is in effect.
12. If any of the aforesaid conditions are breached, this special permit shall be revoked immediately, the second kitchen shall be removed, and court action shall be instituted.
13. This Special Permit shall expire two years from the date time-stamped on this decision.
