CHAPTER XIII

INDOOR TANNING MACHINES

1.00 All tanning machines, lamps, beds or such similar devices intended for other than private home use shall be posted with a prominent sign that reads:

"The U.S. Public Health Service has determined indoor tanning devices to be capable of causing: skin cancer, premature skin aging, skin and eye burns, allergic type reactions, cataracts, blood vessel damage, and reduced immunity."

2.00 Ultraviolet light absorbing glasses must be provided to all users of such devices.

3.00 All tanning devices as described above shall be equipped with a self-timing device that limits exposure to a maximum time of 15 minutes.

4. 00 All such devices not in private homes must be registered with the Health Department.

5.00 Reserved.

6.00 Health Department permits shall be valid for one calendar year, renewable annually subject to the review and approval by the Board of Health. No permit shall be transferable.
