

# Morses Pond Feasibility Plan

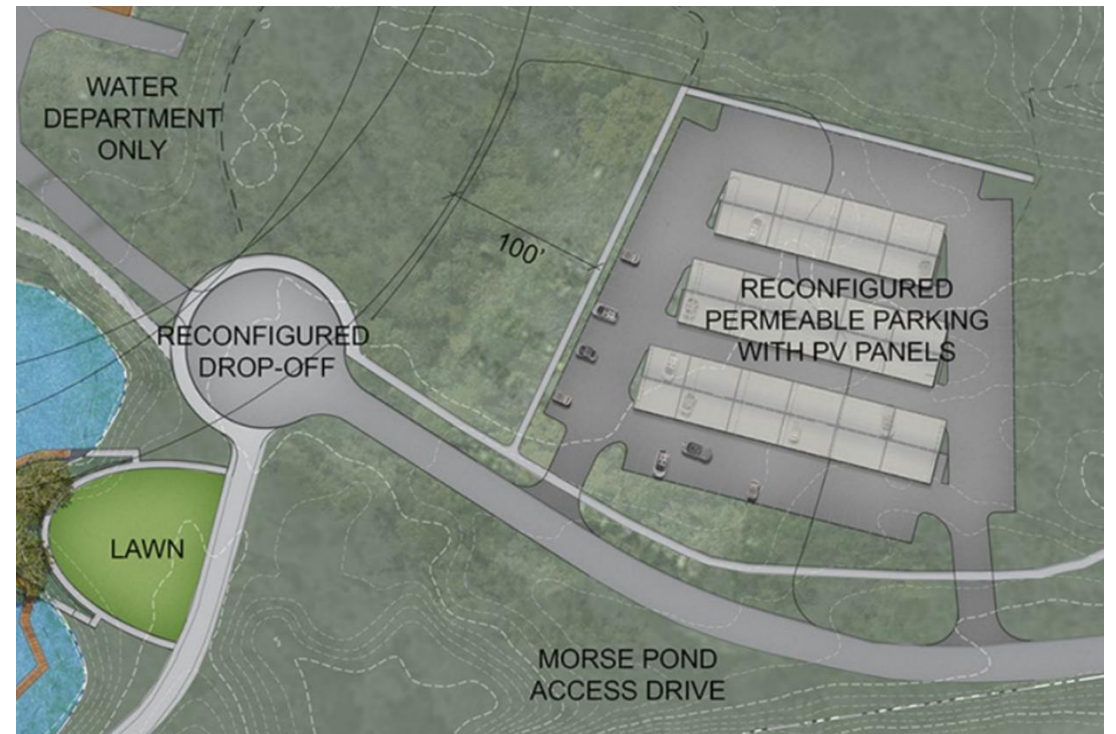

# How did we get here?

- Weston & Sampson conducted feasibility study
  - Task 1- Project Kick-off and Site Assessment
  - Task 2- Public Meetings
  - Task 3- DRAFT and FINAL Master Plan
- Generated a “Consensus Plan”
  - It matches the goals and aspirations of the majority of the individuals who participated in the planning process.
  - Note - Recommendations are typically general and therefore they should not be considered to be “cast in stone”. Specific details will be adjusted or refined as needed to meet community preference and actual site conditions.
