CHAPTER XV

LEAD PAINT REMOVAL OPERATIONS

1.00 No one shall remove or attempt to remove lead paint, by any method, from either the interior or exterior of a building, without first filing written notice at the Health Department office at least seven (7) days prior to initiation of the lead abatement process.

a. Notice shall be on a form approved by the Director of Public Health.

1.02 Removal of lead paint must be performed by an individual who is both qualified and licensed by the Commonwealth of Massachusetts.

1.03 Dry abrasive blasting of lead paint is prohibited.

1.04 Reserved.
