D Action to Be Taken, and the Deadline for Taking Such Action

1. By June 19, 2021, provide Public Education and Public Notice to your customers in accordance with the provisions of 310 CMR 22.07G(7)(e), 310 CMR 22.07G(11), and 310 CMR 22.16.
2. By July 6, 2021, submit to MassDEP for its review and approval a written proposal setting forth how and when you propose to come into compliance with the requirements cited in Section C of this NON, by **completing and**

submitting the attached PFAS Response/Compliance Schedule Approval Form ("compliance plan") and conducting all required public notice. To return to compliance, you must implement the compliance plan, including the schedule for completing the activities proposed, as approved by MassDEP. If you determine that you need additional time to complete and submit the compliance plan, you may request an extension **before** the submission deadline by contacting Amy LaPusata at 617-721-0160 or by email at amy.lapusata@mass.gov.

E

Important Information

If you, the Supplier of Water, fail to take any action MassDEP now wants you to take by the prescribed deadline, or if you otherwise fail to remain in compliance in the future with the applicable requirements, you could be subject to legal action, including, but not limited to, criminal prosecution, court-imposed civil penalties, or civil administrative penalties assessed by MassDEP. A civil administrative penalty may be assessed for every day from now on that you are in noncompliance with the requirements specified above. MassDEP reserves its right to exercise the full extent of its legal authority to obtain compliance with all applicable requirements.
