ARTICLE I
DEFINITIONS

SECTION 1-1 **Definitions** - For the purpose of these rules and orders the words and phrases used herein shall have the following meanings except in those instances where the context clearly indicates a different meaning.

SECTION 1-2 **Bus Stop** - An area in the roadway set aside for the boarding of or alighting from and the parking of buses.

SECTION 1-3 **Crosswalk** - That portion of a roadway ordinarily included within the prolongation or connection of curb lines and property lines at intersections, or at any portion of a roadway clearly indicated for pedestrian crossing by lines on the road surface or by other marking or signs.

SECTION 1-4 **Funeral** - Any procession of mourners properly identified as such accompanying the remains of a human body.

SECTION 1-5 **Intersection** - The area embraced within the extensions of the lateral curb lines, or if none, then the lateral boundary lines of intersecting ways as defined in Section 1 of Chapter 90 of the General Laws, including divided ways.

The rules and regulations herein contained governing and restricting the movement of vehicles on state highways at and near intersecting ways shall apply at any place along any way at which drivers are to be controlled by traffic control signals whether or not such place is an intersection as herein defined.

SECTION 1-6 **Lane** - A longitudinal division of a roadway into a strip of sufficient width to accommodate the passage of a single line of vehicles.

SECTION 1-7 **Officer** - Any officer of the Wellesley Police Department or any officer authorized to direct or regulate traffic or to make arrests for the violation of traffic regulations.

SECTION 1-8 **Parking** - The standing of a vehicle, whether occupied or not, otherwise than temporarily for the purpose of and while actually engaged in loading or unloading, or in obedience to an officer or traffic signs or signals, or while making emergency repairs or, if disabled, while arrangements are being made to move such vehicle.

SECTION 1-9 **Parking Meter** - The words "parking meter" shall mean any mechanical device, not inconsistent with the provisions of this regulation, and placed or erected on any public way or municipal off-street parking area within the Town of Wellesley for the regulation of parking. Each parking meter installed shall indicate by proper legend the legal parking time established by this regulation and when operated shall at all times indicate the balance of legal parking time permitted, and at the expiration of such period shall indicate illegal or overtime parking.

SECTION 1-10 **Parking Meter Space** - The words "parking meter space" shall mean any space within a parking meter zone, adjacent to a parking meter which is duly designated for the parking of a single vehicle by lines painted on or affixed to the surface of the street or municipal off-street parking area adjacent to or adjoining each parking meter.

SECTION 1-11 **Parking Meter Zone** - The words "parking meter zone" shall mean and include any street or portion thereof or municipal off-street parking area upon which parking meters are installed and in operation and upon which parking of vehicles is permitted for a limited time subject to compliance with the further provisions of this regulation.

SECTION 1-12 **Pedestrian** - Any person afoot or riding on a conveyance moved by human muscular power, except bicycles or tricycles, as defined in Chapter 90, Sec. 18A (Gen. Laws).

SECTION 1-13 **Person** - The word "person" shall mean and include any association, co-partnership, corporation, firm or individual.

SECTION 1-14 **Railroad Crossing** - Any intersection of ways with a railroad right-of-way.

SECTION 1-15 **Roadway** - That portion of a street or highway between the regularly established curb lines or that part, exclusive of shoulders, improved and intended to be used for vehicular traffic.

SECTION 1-16 **Rotary Traffic** - The counter clockwise operation of a vehicle around an object or structure.

SECTION 1-17 **Safety Zone** - Any area or space set aside within a roadway for the exclusive use of pedestrians and which has been indicated by signs, lines or markings, having the written approval of the Department of Public Works, Commonwealth of Massachusetts.

SECTION 1-18 **School Zone** - A School Zone as referred to in Chapter 90, Section 17 shall be construed to be only that section of a way which abuts the grounds of a school and is posted and marked in accordance with the standards prescribed by the Department of Public Works of the Commonwealth of Massachusetts to indicate the applicability of the statutory speed limits of twenty miles per hour for all vehicles in accordance with the terms of the permit for the Zone.

SECTION 1-19 **Sidewalk** - That portion of a street or highway parallel to the roadway set aside for pedestrian travel.

SECTION 1-20 **Street or Highway** - The entire width between property lines of every way open to the use of the public for purposes of travel.

SECTION 1-21 **Street Marking, Official** - Any painted line, legend, marking or marker of any description painted or placed upon any way which purports to direct or regulate traffic and which has been authorized by the Selectmen and which has the written approval of the Department of Public Works, Commonwealth of Massachusetts.

SECTION 1-22 **Taxicab Stands** - An area in the roadway in which certain taxicabs are authorized and required to park while waiting to be engaged.

SECTION 1-23 **Traffic** - Pedestrians, ridden animals, vehicles, or other conveyances either singly or together while using any street or highway for the purpose of travel.

SECTION 1-24 **Traffic Control Signal** - Any device using colored lights which conforms to the standards prescribed by the Department of Public Works of the Commonwealth of Massachusetts, whether manually, electrically or mechanically operated, by which traffic may be guided, directed, warned or regulated.

SECTION 1-25 **Traffic Island** - Any area or space set aside within a roadway, which is not intended for use by vehicular traffic.

SECTION 1-26 **Traffic Signs** - All signs, markings and devices, other than signals, not inconsistent with these rules and orders, and which conform to the standards prescribed by the Department of Public Works of the Commonwealth of Massachusetts and placed or erected by authority of a public body or official having jurisdiction for the purpose of guiding, directing, warning, or regulating traffic.

SECTION 1-27 **U Turn** - The turning of a vehicle whereby the direction of such vehicle is reversed.

SECTION 1-28 **Vehicle** - Every device in, upon or by which any person or property is or may be transported or drawn upon a highway, including bicycles when the provisions of these rules are applicable to them, except other devices moved by human power or used exclusively upon stationary rails or tracks and devices which derive their power for operation from stationary overhead wires.

SECTION 1-29 **Vehicle, Commercial** - Any vehicle being used in the transportation of goods, wares, or merchandise for commercial purposes.

SECTION 1-30 **Vehicle, Emergency** - Vehicles of the Fire Department (Fire Patrol), police vehicles, ambulances and emergency vehicles of federal, state, county and municipal departments or public service corporations when the latter are responding to an emergency in relation to the police or fire department.

SECTION 1-31 **Vehicle, Heavy Commercial** - Any commercial vehicle of two and one-half (2½) tons capacity or over.

SECTION 1-32 **Service Zones** - An area in the roadway set aside for the accommodation of commercial and transient vehicular traffic.

SECTION 1-33 - **Handicapped Parking Violation** - The leaving of any unauthorized vehicle within parking spaces designated for use by disabled veterans or handicapped persons as authorized and required by 49.29 of the Town of Wellesley By-Laws, or in any manner as to obstruct a curb ramp designed for use by handicapped persons as a means of egress to a street or public way.

ARTICLE II
POLICE OFFICERS

SECTION 2-1 **Police to Direct Traffic** - It shall be the duty of officers to enforce the provisions of traffic regulations. Such officers are hereby authorized to direct all traffic either in person or by means of visible or audible signal in conformance with the provisions of these traffic regulations, provided that in the event of a fire or other emergency members of the Police or Fire Department may direct traffic, as conditions may require, to expedite traffic or safeguard pedestrians, notwithstanding the provisions of these traffic regulations.

SECTION 2-2 **Police May Close Streets Temporarily** - The Chief of Police is hereby authorized to close temporarily any street or highway whenever there is reasonable justification for the closing of such street.

SECTION 2-3 **Police May Prohibit Parking Temporarily** - The Chief of Police is hereby authorized to prohibit, temporarily, parking on any street or highway or part thereof whenever there is reasonable justification for such prohibition. Vehicles parked in places where parking is prohibited may be moved by or under the direction of an officer.

SECTION 2-4 **Exemptions** - The provisions of these rules and orders shall not apply to drivers actually engaged in work upon a street or highway closed to travel or under construction or repair, or to any officer when engaged in the performance of public duties when the nature of the work of any of these necessitates a departure from any part of these rules and orders. These exemptions shall not, however, protect the driver of any vehicle from the consequences of a reckless disregard of the safety of others.

SECTION 2-5 **Crossing Guards May Direct Traffic at School Crossings** – School Crossing guards may direct traffic and assist pedestrians across roadways in areas near schools and at posts designated by the Chief of Police, except that no crossing guard may direct traffic contrary to the directions of a police officer. It shall be unlawful for any person to disobey the directions of a police officer or crossing guard as described herein. (6/03)

ARTICLE III
TRAFFIC SIGNS-SIGNALS-MARKINGSAND ZONES

SECTION 3-1 Traffic Signs and Signals

SECTION 3-1.1 The Chief of Police is hereby authorized, subject to the approval of the Board of Selectmen, and as to those signs and signals required hereunder it shall be his duty, to place and maintain or cause to be placed and maintained all traffic signs, signals, markings and safety zones. All said signals, signs, markings and safety zones shall conform to the standards prescribed by the Department of Public Works of the Commonwealth of Massachusetts.

SECTION 3-1.2 Section 2-3 of Article II relating to temporarily prohibited parking, Section 5-2 of Article V relating to parking, and Section 7-8 of Article VII relating to prohibited turns, shall be effective as to any area in a street only during such times as signs are erected and maintained in such area, located so as to be easily visible to approaching drivers and notifying them of the governing provisions.

SECTION 3-1.3 Sections relating to one-way streets shall be effective as to any such street only during such time as official signs are erected and maintained at each of the exits from such one-way street to a connecting way so that at least one sign will be clearly visible for a distance of at least seventy-five (75) feet to drivers approaching such an exit. The number of signs sufficient for the foregoing purpose shall be determined by the Chief of Police.

SECTION 3-2 Interference with Signs, Signals and Markings - Any person who willfully defaces, injures, moves, obstructs or interferes with any traffic sign, signal or marking shall be liable to a penalty not exceeding twenty dollars (\$20) for each offense.

SECTION 3-3 Location of Bus Stops and Taxicab Stands - The location of all bus stops and taxicab stands shall be specified by the Board of Selectmen and in the case of taxicab stands the said Board shall designate who may use them.

SECTION 3-4 Experimental Regulations - For experimental purposes, the Board of Selectmen may make temporary rules regulating traffic, or test under actual conditions traffic signs, markings or other devices. No such experimental rule relating to traffic shall remain in effect for a period longer than sixty (60) days.

ARTICLE IV
ZONE OF QUIET

SECTION 4-1 The Chief of Police may temporarily establish a Zone of Quiet upon any street where a person is seriously ill. Said temporary Zone of Quiet shall embrace all territory within a radius of two hundred (200) feet of the building occupied by the sick person. Said temporary zones of quiet shall be designated by the Chief of Police by placing at a conspicuous place in the street a sign bearing the words ZONE OF QUIET.

SECTION 4-2 No person operating a vehicle within any designated or posted Zone of Quiet shall sound a horn or other warning device on said vehicle or make any loud or unusual noise in such zone except in an emergency.

ARTICLE V
STOPPING -- STANDING -- PARKING --TOW-AWAY ZONES

SECTION 5-1 **General Prohibitions** - Except when necessary to avoid conflict with other traffic or in compliance with the direction of a police officer or traffic sign or signal, no person shall allow, permit, or suffer any vehicle under his control or registered in his name to stand or park in any street way, highway, road or parkway under control of the Town of Wellesley in violation of any of the Traffic Rules or Orders adopted by the Board of Selectmen and in particular in any of the following places:

- (a) Within an intersection except in those intersections where the installation of parking meters has been approved by the Massachusetts Department of Public Works.
- (b) Upon any sidewalk *or tree lawn* (9/8/86)
- (c) Upon a bridge, provided official signs are erected, except as provided in Section 5-3.2.
- (d) Upon any crosswalk.
- (e) Upon the roadway in a rural or sparsely settled district.
- (f) Upon a roadway where parking, other than angle parking, is permitted, unless both wheels on the right side of the vehicle are within twelve (12) inches of the curb or edge of the roadway - provided however that upon one way streets parking vehicles shall be headed in the direction designated for traffic and in the manner above required.
- (g) Upon any roadway where the parking of a vehicle will not leave a clear and unobstructed lane at least twelve (12) feet wide for passing traffic.
- (h) Upon any street or highway within ten (10) feet of a fire hydrant.
- (i) Upon any street or highway within twenty (20) feet of any intersecting way unless in a space designated by street marking lines.
- (j) Within fifteen (15) feet of the wall of a fire station or directly across the street from such station provided signs are erected acquainting the driver with such restrictions.
- (k) In front of any private way or driveway.
- (l) At bus stops, provided official signs are erected, except buses, and no person shall park a bus within a business district at any other than a bus stop, when a nearby bus stop is available for use.
- (m) At taxicab stands, provided official signs are erected, except taxicabs, for a period of time longer than fifteen (15) minutes unless actually engaged in loading or unloading, and in no case for a period of time longer than one-half hour, and no person shall park a taxicab upon any street within a business district at any place other than the taxicab stand or stands designated for the use of his taxicab or taxicabs, except while engaged, or while waiting for an opportunity to use a taxicab stand designated for his use.
- (n) On the roadway side of any vehicle stopped or parked at the edge or curb of a street in such manner as to constitute double line or multiple line parking.
- (o) In any Fire Lane
- (p) Upon any way where the vehicle interferes with the removal or plowing of snow, or removal of ice
- (q) In any Handicapped Parking space
- (r) No person shall cause, suffer, allow or permit the unnecessary operation of the engine of a motor vehicle while said vehicle is stopped for a foreseeable period of time in excess of five minutes, upon any way. This section shall not apply to (a) vehicles being serviced, provided that operation of the engine is essential to the proper repair thereof, or (b) vehicles engaged in the delivery or acceptance of goods, wares, or merchandise for which engine assisted power is necessary and substitute alternate means cannot be made available, or (c) vehicles engaged in an operation for which the engine power is necessary for an associate power need other than

movement and substitute alternate power means cannot be made available provided that such operation does not cause or contribute to a condition of air pollution.

SECTION 5-2 Parking Locations and Prohibitions - Parking or standing is prohibited, restricted or limited as to time, space and streets in accordance with a schedule of streets designated as Schedule I, on file in the office of the Board of Selectmen, a copy of which is on file at the Police Department, to which reference is made and which Schedule I is specifically incorporated in this section.

SECTION 5-2.1 Angle Parking - There shall be 45 degree angle parking allowed on streets as designated as Schedule XI, on file in the office of the Board of Selectmen, a copy of which is on file at the Police Department, to which reference is made and which Section XI is specifically incorporated in this section. (1/85)

SECTION 5-3 Parking Meters

SECTION 5-3.1 Pursuant to the Provisions of General Laws, Chapter 40, Section 22A, the installation, location, maintenance and operation of parking meters shall be under the supervision and direction of the Board of Selectmen. Meters shall be so constructed as to display a signal showing legal parking upon the deposit therein of the proper coin or coins of the United States as indicated by instructions on said meters and for such period of time as is or shall be indicated by instructions on said meters and for such period of time as is or shall be indicated by these Regulations.

SECTION 5-3.2 Parking is restricted or limited as to time and space on streets or parts of streets listed in a schedule designated as Schedule I-A, on file in the office of the Board of Selectmen, a copy of which is on file at the Police Department, to which reference is made and which Schedule I-A is specifically incorporated in this section. No person shall park a vehicle for a period of time longer than two hours between the hours of 8:00 A.M. and 6:00 P.M. on any of the streets or parts of streets hereinafter designated in Schedule I-A *except where so designated by specific signage*. This restriction shall not apply on Sundays or during the hours of legal holidays. (5/96)

In accordance with the foregoing, parking meter zones are hereby established in the streets or parts of streets listed in Schedule I-A.

SECTION 5-3.3 Parking meter spaces shall be established by the Board of Selectmen in such parking meter zones, and shall be indicated by white markings upon the surface of the highway. Nothing contained in this parking meter section shall be construed to prohibit the Board of Selectmen from making provision for bus stops, taxicab stands, service or loading zones as authorized by other sections of the Traffic Regulations on any street or portion of street listed in Schedule I-A.

SECTION 5-3.4 Whenever any vehicle shall be parked or standing adjacent to a parking meter, the operator of said vehicle shall park within the space designated by street marking lines and, upon entering such space, shall immediately deposit in said meter the required coin of the United States for the maximum legal parking period or proportionate period thereof, both as indicated on the meter and if so required set the mechanism in motion.

SECTION 5-3.5 The fee for parking shall be five (5) cents for five minutes or ten (10) cents for 10 minutes and twenty five (25) cents for 30 minutes, as shown on the meter. (5/21/90)

It shall be unlawful for any person to deposit or cause to be deposited in a parking meter any coin for the purpose of permitting the vehicle of which he is in charge to remain in a parking space beyond the maximum period of time allowed in a particular zone.

SECTION 5-3.6 It shall be unlawful for any person to park a vehicle within a parking meter space unless such vehicle is wholly within the painted lines adjacent to such meter.

SECTION 5-3.7 It shall be unlawful for any unauthorized person to tamper with, break, injure or destroy any parking meter or to deposit or cause to be deposited in such meter any slugs, device or metallic substance or any other substitute for the coins required.

SECTION 5-4 Any person who violates any parking meter provision of these Regulations, or Rules and Orders, shall be subject to the penalties provided by Article X of these Rules and Orders and any other violation shall be punishable as may be provided by law.

SECTION 5-5 **Parking Vehicles for Sale Prohibited** - No person shall park upon any street any vehicle displayed for sale.

SECTION 5-6 **No All Night Parking** - No person shall park any vehicle, except in an emergency, on any street for a period of time longer than one (1) hour between the hours of 2 A.M. and 6 A.M. of any day.

SECTION 5-7 **Tow-away Zone Regulations**

SECTION 5-7.1 **In General** - In accordance with the provisions of Chapter 40, Section 22D of the General Laws, the Board of Selectmen of the Town of Wellesley hereby enacts the following regulations authorizing the removal to a convenient place of vehicles parked or standing in such manner, or in such areas as are hereinafter described on any way under the control of the Town of Wellesley. Vehicles specifically exempt by Chapter 40, Section 22D of the General Laws shall not, however, be subject to such removal.

SECTION 5-7.2 **Authorization of Police** - The moving or towing of any vehicle under the provisions of this section shall be by and at the direction of the Chief of Police or such other officer(s) of the rank of Sergeant or higher as he may from time to time designate.

SECTION 5-7.3 **Fees**- The Board of Selectmen may impose upon the owner of any vehicle moved or towed to a convenient place under the provisions of this section, such fees for towing, storage or other services as it may deem appropriate. Under no circumstance, however, shall the amount of said fees exceed the maximum amounts established by the Massachusetts Department of Telecommunications and Energy. (5/01)

SECTION 5-7.4 **Liability for Damage During Removal or Storage** - The Contractor shall be liable to the owner for any damage arising out of negligence caused to a vehicle in the course of removal and storage.

SECTION 5-7.5 **General Prohibition Towing Zones** - No person shall stand or park or allow, permit or suffer any vehicle registered in his name to stand or park in any of the following places:

- (a) Upon any sidewalk or tree lawn.
- (b) Upon any crosswalk.
- (c) Upon any way within twenty (20) feet of an intersecting way except alleys.
- (d) Upon a way within ten (10) feet of a fire hydrant.
- (e) On the roadway side of any vehicle stopped or parked at the edge or curb of the way.
- (f) In front of a public or private driveway.
- (g) Upon any way where the parking of a vehicle will not leave a clear and unobstructed lane at least ten (12) feet wide for passing traffic.
- (h) In any bus stop.

- (i) In any Fire Lane.
- (j) Upon any way where the vehicle interferes with the removal or plowing of snow, or removal of ice.
- (k) In any Handicapped Parking space

Vehicles found in violation of the provisions of this section, except those specifically exempt by law, shall be removed to a convenient place under the direction of an officer of the Police Department and the owner of the vehicle so removed or towed away shall be liable to the cost of such removal and storage, if any, as set forth in subsection 7.3 of this Article. The owner of any vehicle removed or towed away under the provision of this Section shall also be subject to the penalties provided in Article X of these Rules and Orders.

SECTION 5-7.6 Parking Prohibitions, Towing Zone - No person shall stand or park or allow, permit or suffer any vehicle registered in his name to stand or park on any of the ways or parts of ways described and during the periods of time set forth in a schedule designated as Schedule I on file in the office of the Board of Selectmen, a copy of which is on file at the Police Department to which reference is made and which Schedule I is specifically incorporated in this section. Vehicles found in violation of the provisions of this section except those specifically exempted by law shall be removed to a convenient place under the direction of an officer of the Police Department and the owner of the vehicle so removed or towed away shall be liable to the cost of such removal and storage, if any, as is set forth in subsection 7.3 of this Article. The owner of any vehicle removed or towed away under the provisions of this section shall also be subject to the penalties provided in Article X of these Rules and Orders.

SECTION 5-7.7 Official Traffic Signs - The provisions of Section 5-7.6 shall be effective only during such time as a sufficient number of official traffic signs bearing the legend "Tow-Away Zone" are installed, erected, maintained and located so as to be visible to approaching drivers, said signs to be appended above or incorporated into the legend of Parking Prohibition Signs.

SECTION 5-7.8 Police to Keep Record of Towed Vehicles - The Police Department shall keep a record of all vehicles towed or removed under the provisions of this section. Such record shall be retained for one (1) year and shall contain the following information:

- (a) The registration of the vehicle.
- (b) The location from which it was towed, and time and date of tow order.
- (c) The location to which it was moved.
- (d) The fee charged for towing.
- (e) Name of towing contractor, if any.
- (f) Name and rank of officer who authorized towing.

SECTION 5-7.9 Service Zones - *No person shall park a vehicle upon any street in any service zone for a period of time longer than thirty (30) minutes and except while actually loading or unloading, in accordance with a schedule of such zones designated as SCHEDULE VII on file in the office of the Board of Selectmen.*

SECTION 5-8 Town Owned Electric Vehicle Charging Stations

SECTION 5-8.1 The installation, location, maintenance and operation of electric vehicle charging stations shall be under the supervision of the Traffic and Parking Division at the direction of the Select Board.

SECTION 5-8.2 Parking in electric vehicle charging station spaces may be restricted or limited as to time and space on town streets and town owned parking lots. Each charging station shall have

parking stay requirements and limitations clearly posted. Such regulations shall be established in Schedule I-B.

SECTION 5-8.3 Electric Vehicle Charging Station financial transactions are managed by a third party vendor incorporating rates and charges as set by the Select Board.

SECTION 5-8.4 It shall be unlawful for any person to park a non-electric vehicle within an electric vehicle charging station space.

SECTION 5-8.5 It shall be unlawful for any person to park an electric vehicle within an electric vehicle charging station space when not connected to the charging station and in the process of charging.

SECTION 5-8.6 It shall be unlawful for any person to park a vehicle within an electric vehicle charging station space unless such vehicle is wholly within the painted lines assigned to such charging station.

SECTION 5-8.7 It shall be unlawful for any unauthorized person to tamper with, break, injure or destroy any electric vehicle charging station.

SECTION 5-8.8 Any person who violates any electric vehicle charging station provision of these Regulations, or Rules and Orders, shall be subject to the penalties provided by Article X of these Rules and Orders and any other violation shall be punishable as may be provided by law.

ARTICLE VI
ONE-WAY STREETS

SECTION 6-1 **One-Way Streets** - The streets or portions thereof designated in Schedule II are declared to be one-way streets. All vehicular traffic shall move on those streets or portions thereof in the direction designated in said Schedule II, which schedule is on file in the office of the Selectmen, a copy of which is on file at the Police Department. Schedule II is hereby specifically incorporated in this section.

ARTICLE VII
OPERATION OF VEHICLES

SECTION 7-1 **Overtaking Only When There is a Space Ahead** - The driver of a vehicle shall not overtake and pass a vehicle proceeding in the same direction unless there is sufficient clear space ahead on the right side of the roadway to permit the overtaking to be completed without impeding the safe operation of any vehicle ahead.

SECTION 7-2 **Giving Way to Overtaking Vehicles** - The driver of a vehicle when about to be overtaken and passed by another vehicle approaching from the rear shall give way to the right in favor of the overtaking vehicle, on suitable and audible signal being given by the driver of the overtaking vehicle, and shall not increase the speed of his vehicle until completely passed by the overtaking vehicle.

SECTION 7-3 **Obstructing Traffic**

SECTION 7-3.1 No person shall drive in such a manner as to obstruct unnecessarily the normal movement of traffic upon any street or highway. Officers are hereby authorized to require any driver who fails to comply with this section to drive to the side of the roadway and wait until such traffic as has been delayed has passed.

SECTION 7-3.2 No driver shall enter an intersection or a marked crosswalk unless there is sufficient space on the other side of the intersection or crosswalk and on the right half of the roadway to accommodate the vehicle he is operating without obstructing the passage of other vehicles or pedestrians notwithstanding any traffic control signal indication to proceed.

SECTION 7-4 **Following Too Closely** - The driver of a vehicle shall not follow another vehicle more closely than is reasonable and prudent, having due regard to the speed of such vehicle and the traffic upon and condition of the street or highway.

SECTION 7-5 **Slow Vehicles Staying 200 Feet Apart** - Upon roadways less than twenty-seven (27) feet wide and upon which vehicular traffic is permitted to operate in both directions, the driver of any slow moving vehicle when traveling outside of a business or residential district shall not follow another slow moving vehicle within two hundred (200) feet, but this shall not be construed to prevent such slow moving vehicle from overtaking and passing another slow moving vehicle. This section shall not apply to funerals or other lawful processions.

SECTION 7-6 **Using Care in Stopping, Starting, Turning or Backing** - The driver of any vehicle before starting, stopping, turning from a direct line or backing shall first see that such movement can be made in safety. If such movement cannot be made in safety or if it would interfere unduly with the normal movement of other traffic, said driver shall wait for a more favorable opportunity to make such movement. If the operation of another vehicle should be affected by a stopping or turning movement, the driver of such other vehicle shall be given a plainly visible signal, as required by the following section.

SECTION 7-7 **Signaling Stops and Turns** - Under this section the driver of a vehicle shall conform to the provisions of Section 14B of Chapter 90 of the General Laws.

SECTION 7-8 **U-Turns Prohibited** - No operator shall back or turn a vehicle on a way so as to proceed in the direction opposite to that in which said vehicle is headed or travelling on the streets or parts of streets listed in a schedule designated as Schedule III, on file in the office of the Selectmen, a copy of which is on file at the Police Department, to which reference is made and which Schedule III is specifically incorporated in this section.

SECTION 7-9 **Emerging from Alley or Private Driveway** - The operator of a vehicle emerging from an alley, driveway or a garage shall stop such vehicle immediately prior to driving onto a sidewalk or onto the sidewalk area extending across such alleyway or driveway.

SECTION 7-10 **Obeying Traffic Control Signals** - Colors and arrow indications in traffic signals shall have the commands ascribed to them in this section, and no other meanings, and every driver of a vehicle or other conveyance shall comply therewith, except when otherwise directed by an officer or by a lawful sign (other than a "STOP" sign), signal or device except as provided in Section 7-16.4 of Article VII of these rules and orders. In no case shall a driver enter or proceed through an intersection without due care regardless of what indications may be given by traffic control signals.

SECTION 7-10.1 GREEN - While the green lens is illuminated, drivers facing the signal may proceed through the intersection, but shall yield the right of way to pedestrians and vehicles lawfully within a crosswalk or the intersection at the time such signal was exhibited. Drivers of vehicles making a right turn or a left turn shall yield the right of way to pedestrians crossing with the flow of traffic.

SECTION 7-10.2 RIGHT - LEFT AND VERTICAL GREEN ARROWS - When a right green arrow is illuminated, drivers facing the said signal may enter the intersection and proceed turning to the right. When a left green arrow is illuminated drivers facing the said signal may enter the intersection and proceed turning to the left. When a vertical green arrow is illuminated, drivers facing said signal may go straight ahead. When a green arrow is exhibited together with a red or yellow lens, drivers may enter the intersection to make the movement permitted by the arrow, but shall yield the right of way to vehicles and pedestrians proceeding from another direction on a green indication.

SECTION 7-10.3 YELLOW - While the yellow lens is illuminated waiting drivers shall not proceed, and any driver approaching the intersection or a marked stop line shall stop at such point unless so close to the intersection that a stop cannot be made in safety, provided however, that if a green arrow is illuminated at the same time, drivers may enter the intersection to make the movement permitted by such arrow.

SECTION 7-10.4 RED - While the red lens is illuminated drivers facing the signal shall stop outside of the intersection or such point as may be clearly marked by a sign or line, provided however, that if a green arrow is illuminated at the same time, drivers may enter the intersection to make the movement permitted by such arrow.

SECTION 7-10.5 FLASHING RED - When a red lens is illuminated in a traffic control signal by rapid intermittent flashes, and its use has been specifically authorized by the Department of Public Works, Commonwealth of Massachusetts. drivers shall stop before entering the nearer line of the street intersection, or at a stop line when marked and the right to proceed shall then be governed by provisions of Chapter 89, Section 8 of the General Laws.

SECTION 7-10.6 FLASHING YELLOW - A flashing yellow lens shall indicate the presence of a hazard and drivers may proceed only with caution.

SECTION 7-10.7 FLASHING GREEN - A flashing green lens shall indicate an intersection or pedestrian crosswalk in use or subject to use by entering or crossing traffic. Drivers may proceed only with caution and shall be prepared to comply with a change in the signal to yellow or red indication.

SECTION 7-11 **Stop Signs**

SECTION 7-11.1 The erection and maintenance of official "STOP" signs or flashing red signals are authorized by the Selectmen and the Department of Public Works of the Commonwealth of Massachusetts in accordance with a schedule of streets designated as Schedule IV, on file in the office of the Board of Selectmen, a copy of which is on file at the Police Department, to which reference is made and which Schedule IV is specifically incorporated in this section.

SECTION 7-11.2 Every driver of a vehicle or other conveyance approaching an intersection of ways where there exists facing him an official sign bearing the word "STOP" or a flashing red signal indication, said sign or signal having apart from these rules and orders, the written approval of the Department of Public Works, Commonwealth of Massachusetts, and such approval being in effect, shall, before proceeding through the intersection, bring such vehicle or other conveyance to a complete stop at such point as may be clearly marked by a sign or line, or if a point is not so marked, then at the nearer line of crosswalk of the said intersection. In the case of a line of two or more vehicles approaching such "STOP" sign, the drivers of the second and third vehicles in any group shall not be required to stop more than once before proceeding through the intersection. This section shall not apply when the traffic is otherwise directed by an officer or by a lawful traffic regulating sign, signal or device, or as provided in Section 7-16.5.

*SECTION 7-11-A **Yield Signs** - The yield sign assigns right-of-way to traffic on certain approaches to an intersection. Vehicles controlled by a yield sign need stop only when necessary to avoid interference with other traffic that is given the right-of-way. (4/21/77)*

SECTION 7-12 **Keeping to the Right of Roadway Division** - Upon such roadways as are divided by a parkway, grass plot, reservation, or by any marked structure or area, drivers shall keep to the right of such a division except when otherwise directed by an officer, signs, signals or markings.

SECTION 7-13 **Driving on Road Surfaces under Construction or Repair** - No operator shall enter upon the road surface of any street or highway or section thereof, when, by reason of construction, surface treatment, maintenance or the like, or because of some unprotected hazard, such road surface is closed to travel, and one or more signs, lights or signals have been erected to indicate that all or part of the road surface of the street or highway is not to be used or when so advised by an officer, watchman, member of a street or highway crew or employee of the Town, either audibly or by signals.

SECTION 7-14 **Driving on Sidewalks** - The driver of a vehicle shall not drive upon any sidewalk except at a permanent or temporary driveway.

SECTION 7-15 **Driving through Safety Zones** - The driver of a vehicle shall not, except on signal from an officer, drive over or through a safety zone.

SECTION 7-16 **Parades and Processions**

SECTION 7-16.1 No funeral, procession, or parade containing one hundred (100) or more persons or twenty-five (25) or more vehicles, excepting the forces of the United States Army, Navy, or Air Force, the military forces of the Commonwealth of Massachusetts, and the forces of the police and fire departments shall occupy, march or proceed along any way except in accordance with a permit

issued by the Board of Selectmen and such other regulations as are set forth herein which may apply.

SECTION 7-16.2 A funeral composed entirely or partly of a procession of vehicles shall be identified as such.

SECTION 7-16.3 Each driver in a funeral or other permitted procession shall keep as near to the right edge of the roadway as is feasible and follow the vehicle ahead as closely as is practicable and safe.

SECTION 7-16.4 At an intersection where a traffic control signal is operating the driver of the first vehicle in a funeral or other procession shall be the only one required to stop for a red or yellow indication.

SECTION 7-16.5 At an intersection where a lawful "STOP" sign exists the driver of the vehicle in a funeral or other permitted procession shall be the only one required to stop before proceeding through the intersection.

SECTION 7-17 **Operation at Under- or Over-passes and at Intersections with Islands** - At any junction or crossing of ways where the roadway grades have been separated and where the ways are connected by ramps, and at any intersection of ways in which there are channelizing islands, drivers of vehicles shall proceed only as indicated by signs, signals or markings.

SECTION 7-18 **Bicycles**

SECTION 7-18.1 No person shall operate a bicycle upon a public way unless the said bicycle shall have been registered in accordance with the provisions of Section 11A of Chapter 85 of the General Laws.

SECTION 7-18.2 Wherever a sidewalk is provided adjacent to the roadway, bicycles may use such sidewalk and not the roadway, except as hereinafter provided.

SECTION 7-18.3 No person shall operate a bicycle on the sidewalk adjacent to a church, store, or business establishment. When operating on the sidewalk and approaching a pedestrian moving in the same direction, the operator shall slow down and give a timely warning upon the signaling device required by law. Pedestrians shall be given the right of way at all times.

SECTION 7-18.4 Operators of bicycles shall conform to the traffic rules and regulations of the Town of Wellesley insofar as they are applicable and in conformity with Section 11B of Chapter 85 of the General Laws.

SECTION 7-19 **Exclusion of Heavy Trucks**

SECTION 7-20 **Mandatory Turn Lanes**

ARTICLE VIII
PEDESTRIAN CONTROL REGULATIONS

SECTION 8-1 Pedestrians crossing Ways or Roadways - Pedestrians shall obey the direction of police officers directing traffic and whenever there is an officer directing traffic, a traffic control signal or a marked crosswalk within three hundred (300) feet of a pedestrian, no such pedestrian shall cross a way or roadway except within the limits of a marked crosswalk and as hereinafter provided in these regulations. For the purpose of these regulations, a marked crosswalk shall be construed to be only that area of a roadway reserved for pedestrian crossing located between two solid white reflectorized 12-inch pavement markings in rural areas or markings not less than six inches wide in urban areas, said markings or lines being no less than six feet apart.

SECTION 8-2 Pedestrian Actuation

SECTION 8-2.1 At a traffic control signal location where pedestrian indications are provided but which are shown only upon actuation by means of a pedestrian push button, no pedestrian shall cross a roadway unless or until the pedestrian control signal push button has been actuated and then cross only on the proper pedestrian signal indication. At traffic control signal locations where no pedestrian indication is provided, pedestrians shall cross only on the green indication. If necessary, the green indication shall be actuated by the pedestrian by means of a push button.

SECTION 8-2.2 At a traffic control signal location, pedestrians shall yield the right of way to vehicles of a funeral or other procession or authorized emergency vehicle while in performance of emergency duties regardless of signal indication given, and they shall not attempt to cross the roadway until such vehicles or procession has passed at which time pedestrians shall then cross the roadway only as provided in these regulations.

SECTION 8-3 Pedestrian Obedience to Traffic Control Signals - Traffic control signal color indications and legends shall have the commands ascribed to them in this section and no other meanings, and, every pedestrian shall comply therewith except when otherwise directed by an officer.

SECTION 8-3.1 RED AND YELLOW or the word "WALK" - Whenever the red and yellow lenses are illuminated together or the single word "Walk" is illuminated, pedestrians facing such indication may proceed across the roadway and in the direction of such signal only.

SECTION 8-3.2 RED ALONE or "DON'T WALK" Whenever the words "Don't walk" or any indication other than red and yellow shown together are illuminated in a traffic control signal where pedestrian indications are provided, pedestrians approaching or facing such indication shall wait on the sidewalk edge of roadway or in the pedestrian refuge area of a traffic island and shall not enter upon or cross a roadway until the proper indication is illuminated in the traffic control signal, but any pedestrian who has partially completed his crossing on the walk indication shall proceed or return to the nearest sidewalk or safety island on the yellow indication, the red indication or when the words "Don't Walk" are illuminated by rapid intermittent flashing.

SECTION 8-3.3 GREEN ALONE - At traffic control signal locations where no pedestrian indication is given or provided, pedestrian facing the signal may proceed across the roadway within any marked crosswalk in the direction of the green indication.

SECTION 8-3.4 YELLOW ALONE, RED ALONE or **FLASHING "DON'T WALK"** - Pedestrians approaching or facing a yellow, red, or flashing "Don't Walk" illuminated indication shall not start to cross a roadway.

SECTION 8-3.5 FLASHING RED, YELLOW or GREEN - At any traffic control signal location where a flashing red, flashing yellow, or flashing green indication is being given facing a crosswalk, pedestrians shall actuate, where provided, the pedestrian signal indication and cross the roadway only on the red-yellow or "Walk" indication when such indication is in operation. If no pedestrian signal is provided, pedestrians shall cross within crosswalks with due care.

SECTION 8-4 **Vehicle Operation at Crosswalks**

SECTION 8-4.1 When traffic control signals are not in place or not in operation the driver of a vehicle, which for the purposes of this Article shall include bicycles, shall yield the right of way slowing down or stopping if need be so to yield to a pedestrian crossing the roadway within a marked crosswalk when the pedestrian is upon the half of the roadway upon which the vehicle is travelling or when the pedestrian approaches from the opposite half of the roadway to within five (5) feet of that half of the roadway upon which the vehicle is travelling.

SECTION 8-4.2 No operator of a vehicle shall pass any other vehicle which has been stopped at a marked crosswalk to permit a pedestrian to cross a way, nor shall any operator enter a marked crosswalk until there is sufficient space on the other side of the crosswalk to accommodate the vehicle he is operating notwithstanding any traffic control signal indication to proceed.

SECTION 8-5 **Pedestrian Crossings and Use of Roadways**

SECTION 8-5.1 No pedestrian shall suddenly leave a sidewalk or safety island and walk or run into the path of a vehicle which is so close that it is impossible for the driver to yield the right of way.

SECTION 8-5.2 Pedestrians shall at all times in crossing roadways attempt to use the right half of crosswalks.

SECTION 8-5.3 Where sidewalks are provided it shall be unlawful for any pedestrian to walk along and upon an adjacent roadway whenever the sidewalk is open to pedestrian use.

SECTION 8-5.4 Where sidewalks are not provided, any pedestrian walking along and upon a highway shall, when practicable, walk only on the left side of the roadway on its unfinished shoulder facing traffic which may approach from the opposite direction.

SECTION 8-5.5 Persons alighting from the roadway side of any vehicle parked at the curb or edge of roadway shall proceed immediately to the sidewalk or edge of roadway adjacent to vehicle, and shall cross the roadway only as authorized by these regulations.

SECTION 8-5.6 It shall be unlawful for any person to actuate a pedestrian control signal or to enter a marked crosswalk unless a crossing of the roadway is intended.

SECTION 8-6 **Crossing at Non-signalized Locations** - Every pedestrian crossing a roadway at any point other than within a marked crosswalk shall yield the right of way to all vehicles upon the roadway. At a point where a pedestrian tunnel or overpass has been provided pedestrians shall cross the roadway only by the proper use of the tunnel or overpass.

SECTION 8-7 **Operators to Exercise Due Care** - The provisions of these regulations shall in no way abrogate the provisions of Chapter 90, Sections 14 and 14A of the General Laws which provide: "Precautions for Safety of Other Travelers" and for the "Protection of Blind Persons Crossing Ways" Furthermore notwithstanding the provisions of these regulations every operator of a vehicle shall exercise due care to avoid colliding with any pedestrian upon the roadway and shall give warning by sounding the horn when necessary and shall exercise proper precautions which may become necessary for safe operation.

SECTION 8-8 Exemptions - The provisions of these rules and regulations governing the use of ways by pedestrians shall not apply to pedestrians actually engaged in work upon a roadway closed to travel or under construction or repair, to municipal, state, federal or public service corporation employees while in the performance of their duties, to officers engaged in the performance of their public duties or to pedestrians acting in an emergency when such emergency necessitates departure from any part of these rules and regulations.

SECTION 8-9 Penalties - Any person who violates the provisions of this Article which deal with the proper use of ways by pedestrians shall be punished as provided in Chapter 90, Section 18A of the General Laws.

SECTION 8-10 Effect of Regulations - All existing rules and regulations governing the operation of vehicles or the use of ways by pedestrians which are inconsistent herewith are hereby expressly repealed. This repeal shall not, however, affect any punishment or penalty imposed or any complaint or prosecution pending at the time of passage hereof for any offense committed under any of the said rules and regulations hereby repealed.

If any section, sub-section, sentence, clause or phrase of these rules and regulations is for any reason unconstitutional, such decision shall not affect the validity of the remaining portion of these rules and regulations. The Board of Selectmen of the Town of Wellesley hereby declares that it would have passed these rules and regulations and each section, sub-section, sentence, clause or phrase thereof, irrespective of the fact that any one or more sections, sub-sections, sentences, clauses or phrases be declared unconstitutional.

ARTICLE IX
MISCELLANEOUS PROVISIONS

SECTION 9-1 **Advertising Vehicles Regulated** - No person shall operate any vehicle designated or used primarily for purposes of advertising on any street in the Town without the written permission of the Board of Selectmen.

SECTION 9-2 **Loud Noises Prohibited** - No vehicle shall be operated on any street if such vehicle is so conditioned or loaded as to make unreasonable or unnecessary noise.

SECTION 9-3 **Clinging to Moving Vehicles** - No person traveling upon any bicycle, motorcycle, coaster, sled, roller skates, or any toy vehicle, shall cling to, or attach himself or his vehicle to any other moving vehicle upon any roadway.

SECTION 9-4 **Unlawful Riding** - It shall be unlawful for any person to ride on any portion of a vehicle not designated or intended for the use of passengers when the vehicle is in motion. This provision shall not apply to any employee engaged in the necessary discharge of a duty or within truck bodies in space intended for merchandise.

ARTICLE X
PENALTIES

SECTION 10-1 Any person who violates any provision of the foregoing rules shall be punished:

- a) by a fee not exceeding fifty dollars for each offense, except as otherwise provided by statute, and
- b) *by a fine for each offense for parking violations, under the provisions of Chapter 90, Section 20A of the General Laws as hereinafter set forth: Restricted Place or Prohibited Area \$15.00; Parking within 10 ft. of Hydrant \$25.00; Obstructing a Driveway \$15.00; Parking within 20 ft. of an Intersecting Way \$15.00; Wrong Direction \$15.00; Overtime Parking \$15.00; Over 1 ft. from Curb \$15.00; Improper Use of Meter Space \$15.00; Obstructing a Sidewalk or tree lawn \$15.00; Obstructing a Crosswalk \$20.00; All Night Parking \$15.00; Handicapped Parking \$150.00; Double Parking \$20.00; Fire Lane Violation \$50.00; Unpaid Meter (parking or standing) \$15.00; Less than 12 foot unobstructed lane \$15.00; Obstructing snow removal \$15.00; Idling greater than 5 minutes \$15.00.*

(as amended September 11, 1989, November 1, 2000, June 12, 2006, and September 10, 2020)

ARTICLE XI
EFFECT OF REGULATIONS

If any section, subsection, sentence, clause or phrase of these rules and orders is for any reason held to be unconstitutional, such decision shall not affect the validity of the remaining portion of these rules and orders. The Board of Selectmen hereby declares that it would have passed these regulations and each section, subsection, sentence, clause or phrase thereof irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases be declared unconstitutional.

. . . .

The following vote was duly passed:

The Board of Selectmen of the Town of Wellesley, acting by virtue of the power given to it by Section 22 of Chapter 40 of the General Laws of Massachusetts and by virtue of any other power it hereto enabling, hereby adopts and makes the rules and orders for the regulation of carriages and vehicles used in the said Town for regulating traffic upon the streets and highways of said Town which are hereto annexed, the same to be known as Traffic Regulations of the Town of Wellesley; insofar as the said rules and orders or any of them are the same as the regulations, rules and orders now in force they shall be deemed to be a continuation thereof.

City or Town
Date January 9, 1969
FULL SET

WELLESLEY
Permit No. B-513

TRAFFIC REGULATION PERMIT

Under authority of Chapter 85, Section 2 of the General Laws, Tercentenary Edition, the Department of Public Works, hereby approves the rules and orders made by the Board of Selectmen of Wellesley on November 12, 1968 with such stipulations and exceptions, if any, as are noted herein.

The validity of this permit is contingent upon the conformance of the signs, erected or used in connection with these rules and orders, with the standards prescribed by the Department of Public Works.

FOR THE DEPARTMENT OF PUBLIC WORKS

By K. KREKORIAN
 Traffic Engineer
