Eligibility

- Only EnergyStar® qualified appliances, as determined by the United States Department of Energy, are eligible for the WMLP Appliance Rebate Incentive Program. See listing on www.energystar.gov website for more information.
- Customer must have an active residential account in good standing with WMLP.
- Proof of Purchase must be provided to WMLP in the form of a copy of the sales receipt.
- Thermostats require original UPC code.
- Heating and cooling equipment requires proof of SEER.
- Appliance rebates require a copy of the EnergyStar® logo or a printout from www.energystar.gov website showing your appliance is EnergyStar® rated.
- Apply online or submit this form.
- The qualifying appliance must be installed at the active account location.
- Customers are eligible for a maximum of two(2) rebates per customer account per calendar year.

- The rebate will be in the form of a check from the Town of Wellesley.
- WMLP reserves the right to verify installation of each item for which a rebate is requested.
- WMLP reserves the right to terminate this program at any time during the program year.
- Maximum rebate cannot exceed the purchase price (excludes any taxes).

Free Home Energy Assessments

WMLP and National Grid offer no-cost, comprehensive energy assessments to all residential customers. If you're a National Grid customer, call **855-891-9899**. If you heat with oil, electricity or propane, call **888-772-4242**.

This program is funded by you through the Energy Efficiency Charge on your gas bill and the 18¢ Conservation Charge on your WMLP electric bill.
