Walnut Street Reconstruction Project
Between Washington Street and Newton City Line
Contract No. 22C-410-1688

The Reconstruction of Walnut Street Project will include limits of work from Washington Street to the Newton City line. The work to be accomplished as part of this project includes the following; milling, roadway paving, pavement markings, sidewalk reconstruction, curbing, ADA wheelchair ramps and drainage improvements. The work will be accomplished by J.H. Lynch & Sons, Inc.

Obstructions to traffic, parking, and other roadway functions may be affected by this project. The work is expected to begin on August 1st and will continue through the fall.

Project updates and schedule impacts can be found on the DPW web site. Abutter's that want to get direct project updates are encouraged to subscribe to our email list <https://www.wellesleyma.gov/list.aspx> under News Flash, Public Works Projects.

It is our intent to minimize the disruption of your normal routines as best we can. If you have any questions, at any time during the duration of the project, feel free to call the DPW Engineering Division at 781-235-7600, extension 3315.

Thank you in advance for your patience and cooperation with this matter.

David J. Hickey, Jr., P.E.
Town Engineer
