### **Nathanial Brady Named Wellesley Assistant Fire Chief**

**August 22, 2022 (Wellesley, MA)** – The Town of Wellesley’s new Assistant Fire Chief is well known in our community. Nathanial “Nat” Brady, a 33-year Wellesley Fire and Rescue Department employee was recently named to the position. Brady, who served as a Deputy Chief for many years, takes over from former Assistant Fire Chief Jeff Peterson who retired in June.

“Nat’s an outstanding leader and an effective manager who’ll bring these key skills to his role as Assistant Chief. His personal experience and knowledge of our department are extremely beneficial and will make this transition a very smooth one,” said Wellesley Fire Chief Rick DeLorie.

During his service with the Fire Department Brady has taken part in numerous public safety programs and holds a variety of fire and rescue certifications including hazmat and water safety credentials. Having served on the bargaining committee for the local fire fighters union, he also brings expertise in labor and contract discussions, which are part of his new responsibilities.

To reach Assistant Chief Brady directly, please email [nbrady@wellesleyma.gov](mailto:nbrady@wellesleyma.gov)

The Wellesley Fire and Rescue Department has 57 full-time employees and works in partnership with Cataldo Paramedics to protect the lives, property and environment in Wellesley and surrounding communities. The department operates out of Station 1 on Central Street and Station 2 Headquarters on Route 9.
