7:45 am at Warren Building

Attending:

Jerry Nigro – Lacrosse, Jim Miller – Lights Sub Comm, Dave Hickey – DPW, Justin Maiona – WYF, Jay McHale – citizen, Linda Chow – School Dept., Laurance Stuntz – Recreation, Matt Chin – Recreation; Katie Griffith – NRC, Ansley Martin, United Soccer; Kelly Uller – Wellesley Scoops, Jay Russell – Adult Softball; Mary Scanlon – Advisory Tripp Sheehan – Citizen Representative; Paul DePhillips - DPW

Call to order

Approve Minutes from January 10, 2020:

Motion: To accept the minutes from **January 10, 2020** by Justin Maiona
Seconded: Ansley Martin
Vote: All Task Force members in attendance in favor

Citizens Speak: None.

Field Applications:

Motion: To conditionally approve Wellesley Youth Lacrosse special event field application by Justin Maiona, provided that all additional application requirements are satisfied and there aren't any conflicts with high school athletics.

Seconded: Ansley Martin

Vote: All Task Force members in attendance in favor

Motion: To conditionally approve Community Investors special event field application by Justin Maiona, provided that all additional application requirements are satisfied and there aren't any conflicts with other Town user groups.

Seconded: Kelly Uller

Vote: All Task Force members in attendance in favor

Wellesley Scoops Field Hockey Fall 2020 Saturdays Sprague Turf Field request:

Kelly Uller from Wellesley Scoops gave background on their organization. Started in 2014, they have 180 kids this season. Looking for two hours on Sprague turf, so they can join the Commonwealth league for fall 2020. Ansley Martin said that Soccer will work with Scoops and look at shifting some of their programming around in the fall to accommodate.

Lights Project Update:

CPC meeting: Katie Griffith informed the PFTF that the NRC presented at NRC and CPC will provide funds for a feasibility and design study for the existing lights and entire complex in FY 21. Jerry Nigro inquired if private funds could be used for the study to start the process sooner? Jim Miller commented that this delay will mean junior class students will wait another year.

WHS Student Proposal: Distributed and will be discussed at an NRC meeting

Other Project Updates

- a. Hunnewell Field Restrooms – Dave Hickey informed PFTF that NRC approved the design and DPW hopes to have bids in hand by the end of March. \$150k budget with a 5-6-week manufacturing process.

- b. Stadium Restrooms and Team Room Project: Laurance Stuntz informed the PFTF that approximately \$525 has already been approved with Town and CPC funds for Stadium restrooms. Code requires 56 separate stalls and with a 50% reduction variance, it would still put the project over budget. One suggestion given by Jim Miller was luxury portable units. Used as portable units will allow for flexibility at various Town sites.
- c. Practice Wall Project: Project will be brought to ZBA end of February/March.
- d. Softball Project: Project underway. Landscaping and fence posts installed. Under draining needs to be done, and very weather dependent. Contractor will be using sod for outfield and is ready to be installed (weather dependent). Work on dugouts continues.

General Fields Discussion:

Discussion regarding dugouts at Multi-Purpose (warren) Field. Do they need to match the Lee and Reidy dugouts? Dave Hickey proposed a more “utilitarian” design.

Motion: By Tripp Sheehan to recommend the current/”utilitarian” design for the Mulit Multi-Purpose (Warren Field) dugouts

Seconded: Jay Russell

Vote: All Task Force members in attendance in favor

Motion: To adjourn by Justin Maiona

Seconded: By Jerry Nigro

Vote: All Task Force members in attendance in favor

Ansley Martin votes to not approve.

Lights Project Update: Katie Griffith informed the Commission that the NRC will continue to have the lights project on their agenda for upcoming meetings. Athletics will be providing a high school sports schedule showing what the anticipated night use would be for a school year. NRC will be looking to review and possibly update their sound policy. There are concern by Bob Parks (Dark Sky consultant) on the pole height of the current lights. MUSCO and Mr. Parks will discuss. Nancy Braun inquired about benchmarking with other Towns. Currently, new lights could be funded by CPC, looking into whether replacement lights are CPC eligible. Laurance Stuntz wanted to publicly thank NRC for their hard work, accepting the lights report and taking on this project.

Other Project Updates

- a. Hunnewell Field Restrooms – Bid documents being worked on for container restrooms.

- Users are responsible for any damage.
- Users are responsible for checking the Town website for field conditions/closures. Fields will be posted when closed during the spring, summer and fall seasons. Assume that fields are closed during the winter.
- If selling food, you must receive authorization from the Board of Health.
- In general, Wellesley fields do not have sanitary facilities.
- No play before 8 am on Sunday. Multipurpose lights may remain on until 9:30 pm.

WELLESLEY GREEN INITIATIVE: The Playing Fields Task Force is partnering with Wellesley Green Schools on an important initiative to reduce waste on town fields. We require you to tell coaches, teams, family & friends, to help in the following ways: 1) Please ask players & visiting teams to **BRING REUSABLE WATER BOTTLES TO ALL GAMES & PRACTICES**; 2) Please consider **eliminating the extra drinks & snacks that are often brought to practices & games** (studies show that this has a positive health benefit as well); 3) Consider **naming a team captain to oversee garbage collection & recycling** or encourage players to clean up after themselves; and 4) Please remind players and visiting teams that the Town of Wellesley is committed to sustainable principles and has installed **working water fountains & recycling bins at almost all town fields**.

Priority of use:

1. Park Maintenance
2. Town Wide Special Events
3. School use – Sports, Special Events, Coaches Clinics

(Camps catering to participants over the age of 12 years will, whenever available, use the turf fields.) 13. All field rentals that are not charged per participant are figured in increments of 1.5 hours.

General Field Use

Rules

Hours of Operation: Fields may be used until dusk with the exception of the lighted Multi-Purpose Field (at Hunnewell). Lights may remain on until 9:30 pm, except for Reidy Field, where lights may remain on until 9:45 pm. No play before 8:00 am on Sunday at any field that abuts homeowners.

Prohibited Activities: Any prohibited activities posted on signage at the High School track or any fields, consumption/possession of drugs or alcoholic beverages; use of fields beyond permitted dates or times; use of grass fields during wet field conditions or before they are declared available for use; and any activity that may cause field damage. Users must show good judgment when using fields and must stop play if the field shows damage during activity. Any group who causes damage to any field will be responsible for repair costs.

Field Closures: <http://www.wellesleyma.gov/1049/Playing-Fields-OpenClosed-Status> or call 781-235-2370 for the latest field closures. If a field is closed, no use is permitted at all. The field status webpage and the hotline are for informational purposes only; field signage and/or direct communication from the Wellesley DPW Park and Tree Division (DPW) take precedence. Whenever possible, DPW will email user groups and post signs when fields are closed.

Please note that grass fields can be closed even when the weather appears good at the time because of standing water, previous damage or other field condition issues. The DPW, in consultation with the PFTF, will recommend when fields should be closed in order to rest them to prevent significant damage from overuse or for maintenance reasons.

Weather: Because lightning can strike up to 10 miles from a storm, users should seek safe shelter as soon as they hear thunder or see lightning. They should wait for 30 minutes without hearing thunder or seeing lightning before returning to the field.

Maintenance of Baseball/Softball Infields: Baseball/softball players and coaches are expected to groom the infields after each game and practice. Equipment for grooming is supplied and coaches are responsible for knowing the storage box combinations.

Litter, Trash and Recycling: All users are responsible for picking up any trash or litter on the field at the completion of their practice or game session regardless of whether this trash was there when they first got on the field or not. **Pick up trash when you leave the field, even if it is not yours.** Consider naming team captains at each practice or game to oversee litter collection and recycling.

Users are expected to use trash and recycling receptacles located on or near the fields or to take their waste home for disposal. If the group expects to generate excess trash, they must provide a means for removing trash themselves. Bring a trash bag with you to games and practices. Please pick up and recycle all plastic bottles. Inform coaches, players, players' families, and attendees at games and practices that there are water fountains at the majority of the active playing fields and that **participants are strongly encouraged to utilize reusable and refillable water bottles for all practices and games.**

The last group to use a field for the day is responsible for leaving a clean, litter free field.

If you consistently find trash when you arrive at the field please contact the Recreation Director at (781) 235 – 2370, who will attempt to identify the users who might be leaving the field in such condition.

Users are urged to support the preservation and sustainability of Wellesley's playing fields through responsible use of the fields and respect for those who neighbor the fields. It is the responsibility of all coaches, managers, referees and parents to lead by example by educating our children on the proper use of field space and emphasizing the importance of caring for our community assets and maintaining a clean environment.

Concerns related to the maintenance/condition of the High School track or any field should be addressed to the Assistant Superintendent/Deputy Tree Warden of the Park Division at dpw@wellesleyma.gov.

From: Joe Roberts - Terriers Sports

Re: July & August program plans

Dear Matt:

Thanks to everyone at Wellesley Recreation for your invaluable services to our Town, along with all our Town's Departments, during extremely challenging times.

While we are not offering programs in June, with hopes for continued improvements to our public's health, we are submitting plans to hopefully return for our 30th summer providing fun & inclusive community based recreational programs. Instead of our traditional full day sports camp, we would like to offer a variety of 1-2 hour safely spaced & managed programs at two locations as listed below.

Bates Playing Fields & Back Playground

Mondays through Fridays 8:30am - 3:30pm (spacing & cleaning time included)

Weeks of: July 6, 13, 20, 27 August 3, 10, 17, 24

- Baseball Games & Skills
- Basketball Skills & Contests (no games)
- Flag Football Skills & Contests (no games)
- Soccer Skills & Contests (no games)

We would also like to continue our popular and growing Flag Football program with a safely spaced Skills and Contests program for kids to enjoy playing on **Wellesley High School's Darcey Field**, Tuesdays and Thursdays 5:30 - 8:30pm, the weeks of July 6, 13, 20, 27 & August 3, 10, 17, 24. (spacing and cleaning time included)

Our applications are attached.

Thanks again!

- 12) Non-Recreation Department Camps: \$35 per participant on a grass field; \$50 per participant on a turf field. (Camps catering to participants over the age of twelve years shall, whenever available, be assigned to turf fields).
- 13) All track and field rentals that are not charged per participant are figured in increments of 1.5 hours. Fees collected shall be deposited into the DPW Field Use Fund, unless otherwise noted or a rental of a turf field; revenue from turf field rentals shall be deposited into the Turf Field Fund.

General Field Use Rules

Hours of Operation:

Fields may be used until dusk with the exception of the lighted Multi-Purpose Field (at Hunnewell). Lights may remain on until 9:30 pm, except for Reidy Field, where lights may remain on until 9:45 pm. No play before 8:00 am on Sunday at any field that abuts homeowners.

Prohibited Activities:

Any prohibited activities posted on signage at the High School track or any fields, consumption/possession of drugs or alcoholic beverages; use of fields beyond permitted dates or times; use of grass fields during wet field conditions or before they are declared available for use; and any activity that may cause field damage. Users must show good judgment when using fields and must stop play if the field shows damage during activity. Any group who causes damage to any field will be responsible for repair costs.

Field Closures:

<http://www.wellesleyma.gov/1049/Playing-Fields-OpenClosed-Status> or call (781) 235-2370 for the latest field closures. If a field is closed, no use is permitted at all. The field status webpage and the hotline are for informational purposes only; field signage and/or direct communication from the Wellesley DPW Park and Tree Division (DPW) take precedence. Whenever possible, DPW will email user groups and post signs when fields are closed.

Please note that grass fields can be closed even when the weather appears good at the time because of standing water, previous damage or other field condition issues. The DPW, in consultation with the PFTF, will recommend when fields should be closed in order to rest them to prevent significant damage from overuse or for maintenance reasons.

Weather:

Since lightning can strike up to 10 miles from a storm, users should seek safe shelter as soon as they hear thunder or see lightning. They should wait for 30 minutes without hearing thunder or seeing lightning before returning to the field.

Maintenance of Baseball/Softball Infields:

Baseball/softball players and coaches are expected to groom the infields after each game and practice. Equipment for grooming is supplied and coaches are responsible for knowing the storage box combinations.

Litter, Trash and Recycling:

All users are responsible for picking up any trash or litter on the field at the completion of their practice or game session regardless of whether this trash was there when they first got on the field or not. Pick up trash when you leave the field, even if it is not yours. Consider naming team captains at each practice or game to oversee litter collection and recycling.

Users are expected to use trash and recycling receptacles located on or near the fields or to take their waste home for disposal. If the group expects to generate excess trash, they must provide a means for removing trash themselves. Bring a trash bag with you to games and practices. Please pick up and recycle all plastic bottles. Inform coaches, players, players' families, and attendees at games and practices that there are water fountains at the majority of the active playing fields and that participants are strongly encouraged to utilize reusable and refillable water bottles for all practices and games.

The last group to use a field for the day is responsible for leaving a clean, litter free field. If you consistently find trash when you arrive at the field please contact the Recreation Director at (781) 235-2370, who will attempt to identify the users who might be leaving the field in such condition.

Users are urged to support the preservation and sustainability of Wellesley's playing fields through responsible use of the fields and respect for those who neighbor the fields. It is the responsibility of all coaches, managers, referees and parents to lead by example by educating our children on the proper use of field space and emphasizing the importance of caring for our community assets and maintaining a clean environment.

Concerns related to the maintenance/condition of the High School track or any field should be addressed to the Assistant Superintendent/Deputy Tree Warden of the Park Division at dpw@wellesleyma.gov.

Re: July & August program plans

Dear Matt:

Thanks to everyone at Wellesley Recreation for your invaluable services to our Town, along with all our Town's Departments, during extremely challenging times.

While we are not offering programs in June, with hopes for continued improvements to our public's health, we are submitting plans to hopefully return for our 30th summer providing fun & inclusive community based recreational programs. Instead of our traditional full day sports camp, we would like to offer a variety of 1-2 hour safely spaced & managed programs at two locations as listed below.

Bates Playing Fields & Back Playground

Mondays through Fridays 8:30am - 3:30pm (spacing & cleaning time included)

Weeks of: July 6, 13, 20, 27 August 3, 10, 17, 24

- Baseball Games & Skills
- Basketball Skills & Contests (no games)
- Flag Football Skills & Contests (no games)
- Soccer Skills & Contests (no games)

We would also like to continue our popular and growing Flag Football program with a safely spaced Skills and Contests program for kids to enjoy playing on **Wellesley High School's Darcey Field**, Tuesdays and Thursdays 5:30 - 8:30pm, the weeks of July 6, 13, 20, 27 & August 3, 10, 17, 24. (spacing and cleaning time included)

Our applications are attached.

Thanks again!
