General Field Use Rules

Hours of Operation:

Fields may be used until dusk with the exception of the lighted Multi-Purpose Field (at Hunnewell). Lights may remain on until 9:30 pm, except for Reidy Field, where lights may remain on until 9:45 pm. No play before 8:00 am on Sunday at any field that abuts homeowners.

Prohibited Activities:

Any prohibited activities posted on signage at the High School track or any fields, consumption/possession of drugs or alcoholic beverages; use of fields beyond permitted dates or times; use of grass fields during wet field conditions or before they are declared available for use; and any activity that may cause field damage. Users must show good judgment when using fields and must stop play if the field shows damage during activity. Any group who causes damage to any field will be responsible for repair costs.

Field Closures:

<http://www.wellesleyma.gov/1049/Playing-Fields-OpenClosed-Status> or call (781) 235-2370 for the latest field closures. If a field is closed, no use is permitted at all. The field status webpage and the hotline are for informational purposes only; field signage and/or direct communication from the Wellesley DPW Park and Tree Division (DPW) take precedence. Whenever possible, DPW will email user groups and post signs when fields are closed.

Please note that grass fields can be closed even when the weather appears good at the time because of standing water, previous damage or other field condition issues. The DPW, in consultation with the PFTF, will recommend when fields should be closed in order to rest them to prevent significant damage from overuse or for maintenance reasons.

Weather:

Since lightning can strike up to 10 miles from a storm, users should seek safe shelter as soon as they hear thunder or see lightning. They should wait for 30 minutes without hearing thunder or seeing lightning before returning to the field.

Maintenance of Baseball/Softball Infields:

Baseball/softball players and coaches are expected to groom the infields after each game and practice. Equipment for grooming is supplied and coaches are responsible for knowing the storage box combinations.

Litter, Trash and Recycling:

All users are responsible for picking up any trash or litter on the field at the completion of their practice or game session regardless of whether this trash was there when they first got on the field or not. Pick up trash when you leave the field, even if it is not yours. Consider naming team captains at each practice or game to oversee litter collection and recycling.

Users are expected to use trash and recycling receptacles located on or near the fields or to take their waste home for disposal. If the group expects to generate excess trash, they must provide a means for removing trash themselves. Bring a trash bag with you to games and practices. Please pick up and recycle all plastic bottles. Inform coaches, players, players' families, and attendees at games and practices that there are water fountains at the majority of the active playing fields and that participants are strongly encouraged to utilize reusable and refillable water bottles for all practices and games.

The last group to use a field for the day is responsible for leaving a clean, litter free field. If you consistently find trash when you arrive at the field please contact the Recreation Director at (781) 235-2370, who will attempt to identify the users who might be leaving the field in such condition.

Users are urged to support the preservation and sustainability of Wellesley's playing fields through responsible use of the fields and respect for those who neighbor the fields. It is the responsibility of all coaches, managers, referees and parents to lead by example by educating our children on the proper use of field space and emphasizing the importance of caring for our community assets and maintaining a clean environment.

Concerns related to the maintenance/condition of the High School track or any field should be addressed to the Assistant Superintendent/Deputy Tree Warden of the Park Division at dpw@wellesleyma.gov.

Hi Matt,

My name is Eunice and we spoke on the phone last week about a gathering I would love to organize in memory of our son, Harry Clark, who passed away in July, 2020 from a brain tumor. Harry was 20 and a beloved part of the Wellesley community. I have been trying to think of a way to celebrate his life and the idea of a softball game came to mind. Harry loved baseball. In fact, a few of Harry's friends worked with the NRC to have a bench installed at Reidy Field in his memory. It is for this reason that I thought holding a softball game at Reidy Field would be perfect.

So, as promised, here is what I am thinking. I hope we can work together to make something along the lines of what I have suggested work. Any thoughts, feedback or advice you can give me would be great. I so appreciate your help. thank you!

What: A softball game in memory of Harry Clark

10 am - 2 pm

When: June 24, 25th or 26th (anytime that weekend - we can be flexible but ideally later in the day would be best)

Where: Reidy Field

Time: Flexible

June 26

In addition, we would like to:

~~1) Use some type of screen or projector (which we would provide) to show photos of Harry. I am not sure if there is an electrical outlet to do this. We would provide the screen but not sure of any approvals we may need for this.~~

2) Have food trucks to provide food to those that are attending. I was thinking they could park along Washington Street. BOH
